

To The City Council of Tillamook
City Tillamook County, Oregon

As per ordinance passed
by City Council of Tillamook City

a survey of the city and to
make a Map of the same

County Records of original town
of Lincoln with additions, etc
also to establish permanent
monuments to mark the same.

I would beg to submit the
following report.

I have made a map from
said records and from a survey
of the City which has been turned
over to the city, but owing to my
inability to secure ~~suitable~~ suitable
stone for permanent marks I
did not set the monuments
at that time.

I began placing them on
the ~~22nd~~ day of June 1903 and
the following is the Field Notes
of the same and conform
with the map already furnished
