

TILLAMOOK COUNTY SURVEYORS OFFICE

Initial Point Deer Ridge Original
in section 35 T.1S.,R.10W.,W.M.

I set a 10" concrete cylinder around a found 1 1/2" iron pipe with 3" brass cap, which I believe is the original monument set during the creation of this subdivision by John L. Carlich RS 287. (C.S. map #C-329). This position was verified from distances to found adjoining original lot corners.

Monument Location

This monument is located 25' Southwesterly of the cul-de-sac on Deer Circle and is also called "first initial point" on the third addition to Deer Ridge (C.S. map #C-362).
