

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner established by Samuel G. Caudle under contract #364, dated August 12, 1880.

Set post for 1/4 sec. cor., from which

- A fir, 30 ins. diam., bears S45°E, 47 lks.
- A fir, 40 ins. diam., bears N68°W, 10 lks.

M. Whitmore, Tillamook Co. Deputy Surveyor, in 1957, found a 30" snag, S.45°E., 47 lks. with scribe marks "1/4S BT" showing.

The marks of the other GLO snag were rotted off. Mr. Whitmore then scribed 2 new witnesses:

- an 18" alder, S.84°W., 64.5 ft. bark scribed "1/4S30BT."
- a 14" alder, N.74°W, 71 ft., bark scribed "1/4S19BT."

L. Whitmore, 1968, found a logging road had destroyed the corner point and both original GLO snags, also M. Whitmore's NW alder BT. Whitmore's SW alder was a sawed off stump with ~~Description of corner evidence found~~

scribe marks showing. Using the remaining scribed alder stump L. Whitmore determined the true corner point in the west wheel track of Gaudy Road, S-44. From this point he scribed two fir stumps:

- 56" sawed off fir snag, S.70°E, 147 ft., scribed "1/4S30CSBT."
- 50" sawed off fir snag, N.44°E, 61.8 ft., scribed "1/4S19CSBT."

Description of corner evidence found:

- Post 4" diam. scribed "WC" set 9 ft. west of corner position.
- 50" fir stump BT, N44°E, 61.8 ft.
- 56" fir stump BT, S70°E, 147.0 ft.

Description of monument and accessories I established to perpetuate the original location of this corner:

- Set a 12"x1" diam. iron pipe with a 2-1/2" brasscap MKD.
- Cap is set 6" below the surface of Rd #S-44
- Witness post was removed from its location and discarded.
- Set a 6 ft. fence post with an attention sign 4 ft. west of cap.
- Painted the visible scribing on the BT stumps with red paint.
- Nailed attention signs to the front of the BT stumps.

Witnesses by L. Whitmore, Tillamook Co. Deputy Surveyor
