AFFIDAVIT

STATE OF OREGON  
County of Tillamook

I, Leonard Whitmore, of Habo

Oregon, being first duly sworn, do depose and say as follows:

I am 66 years old and in February of 1969 I visited the section corner common to sections 1, 2, 11, 12 in T4S, R10W of the Willamette Meridian. The position of which was determined by my father, Mervin Whitmore, in 1951. At the base of a 42 inch fir snag I dug into the duff and found a burnt piece of wood approximately 4" x 2" in size on which there was a slash mark that in my opinion was made by a scribing tool. I measured this snag to be N68W 78 feet from the approximate corner point.
