<input type="checkbox"/> Referenced Out		
Previous Rewitnesses, Restorations and Surveys, etc.: Rewitness Book 2, Page 232, Rewitness Book 7, Page 334; Tillamook County Survey Records.		
Found Monument(s) and Accessories (Condition & Source): Found a 3" diameter Oregon State Board of Forestry cap upright and in good condition approximately 6" high. I placed 60 pounds of concrete around the found monument. The cap is stamped as shown hereon. Found the original 88" diameter Red fir bearing tree, now a 72" diameter 4' tall stump with the scribed 'B' and 'T' still visible, as set by Samuel Snowden on September 15, 1856. This tree was found by Louis W. Amort in 1952 and described as a 72" diameter stump with exposed scribe marks 'B' and 'T' and recorded in Rewitness Book 2, Page 232 and was also found in 2001 by Anthony Klosterman and described as a 72" x 4' tall stump with visible scribe marks 'B' and 'T' and recorded in Rewitness Book 7, Page 334, Tillamook County Survey Records. All of the bearing trees set by Rewitness Book 7, Page 334 are in good condition. There has been approximately a 2" increase in diameter in each of the found bearing trees set by Rewitness Book 7, Page 334.		
Found Amort's 6" diameter Hemlock tree with healed face (diameter not measured) at record position.		
Monument Set (Procedures and Description): Not applicable.	Sketch of Found Monument:	
		
New accessories set: Set a 72" hat section post 2 feet North of corner monument.		
New Bearing Trees: No new bearing trees set.		
Location & Comments: This corner is located approximately 400' East of Rogers Road.		
Firm / Agency Address: TILLAMOOK COUNTY SURVEYOR'S OFFICE 201 Laurel Avenue Tillamook, Oregon 97141		SURVEYOR'S SEAL  <i>Danny R. McNutt</i>
Party Chief: Joe Jensen, PLS 60067, Survey Supervisor
