TILLAMOOK COUNTY

Set a 3/4"X 30" iron pin for the West 1/16 corner on the centerline of section 2, with a 4"X 4" white guard post stenciled 1/16 SEC. COR. on 2 faces and O.S.H. PROP. COR. on other 2 faces in black.

The quarter corner between sections 3 and 2, previously described.

Returning to the West 1/16 corner on the E.& W. centerline of section 2, we ran

N. 0° 30' W. toward the center of the N.W. 1/4 of the section.

Set 3/4"X 30" iron pin for the center of the N.W. quarter of section 2, with a 4"X 4" white guard post stenciled 1/16 SEC. COR. on 2 faces and O.S.H. PROP. COR. on other 2 faces in black.

Thence we ran S. 88° 44' W. toward the West boundary of the section.

The North 1/16 corner on the line between sections 3 and 2, previously described.

Returning to the South 1/16 corner on the line between sections 3 and 2, we ran,

N. 88° 36' E. between the North and South halves of the S.W. quarter of section 2.

Set a 3/4"X 30" iron pin for the center of the S.W. 1/4 of the section, with 4"X 4" white guard post stenciled 1/16 SEC. COR. on 2 faces and O.S.H. PROP. COR. on other 2 faces in black.

The South 1/16 corner on the N.& S. centerline of the section, previously described.

Thence N. 88° 31½' E. between the North and South halves of the S.E. quarter of section 2.

Set a 3/4"X 30" iron pin for the center of the S.E. quarter of the section, with a 4"X 4" white guard post stenciled 1/16 SEC. COR. on 2 faces and O.S.H. PROP. COR. on other 2 faces in black.

The South 1/16 corner on the line between sections 2 and 1, previously described.

Returning to the corner to sections 33-34-3-4 on the Twp. line, we ran Southerly by traverse between sections 4 and 3. Not finding any trace of the quarter corner, we proceeded to the corner to sections 4-3-9-10, where we found a stone with 5 notches on the South and 5 notches on the East corners, also remnants of 3 bearing trees. Leaving the stone undisturbed, we set a 2"X 48" galvanized iron pipe at a point 0.5 ft. North and 0.2 ft. East of the high point of the rock. The pipe has a brass cap on which is stamped a cross and the numbers 4-3-9-10 and, circumferentially, SEC. COR. T. 3 N. R. 6 E.W.M. - 0.S.H.D. We also set a 4"X 4" white guard post stenciled SEC. COR. on 2 faces in black, and marked 4 new bearing trees, as follows:
