Restored Corners:

Section Corner 15/14 T3N, R10W, WM.

From which,

126" Spruce N89°E 154'8"
4" Vine Maple 813'W 236'8"
16" Hemlock N53°W 43'8"

Found post lying near an iron pipe set for corner presumably by County surveyor. Scribe marks visible.

Running West from this corner, failed to find any evidence of original line or the 1/4 section corner of 15 and 22 or the section corner 16/15-21/22.
