CERTIFIED RECORD OF LAND CORNER MONUMENTATION
(Reference FSM 5681.65)

History of original corner establishment:
Surveyed by Hendy Meldrum
under Contract No. 500 April 24, 1884

"SET POST"
A Fir 48° N 67° W 114.1 lbs.
"" 50° 55' W 97 lbs.
Sols. North of top of ridge.

Description of corner evidence found:
Found an old squared stake being used for corner,
Could not find B.T.'s that fit. There are many large snags in an area
but must have exterior gone. Upon surveying the west side of section
I found it over 100' A.M. Mid point fell 10' North of stake.
I talked with Merwin Whitmore at Hobo, and he said he set the
Stake by coming in from East 1/4 corner Sec. 36. That he found no
B.T.'s, but set stake as reference only for landowner at that
time but not for corner point.

Description of monument and accessories I established to relocate the
original location of this corner
At mid point between Section Corners 1 Set.
A 2" galv. pipe with brass cap on top. Mark 36
from which:
An. 8" Douglas Fir bears N 86° W 134.3'. Scribed 4535
An. 32" Douglas Fir bears 58° E 75' S. Scribed 4536
Corner is in line between B.T.'s ON THE SLY slope
of a small knoll. A small Swamp near about 40'.
Corner is in cut over land about 40' West & 120' North
of Cutting Corner of timber. Also the end of a cut road
beers West 20'.
