
I set 1" pipe 24" above ground and mark a 31" hem. S. 18° W.
Leonard Whitmore, Tillamook County dep. surveyor 5-9-62
Witness:  Ed Gary

T.3-4S.R.10W.

Evaluation and Restoration of Land
Section Corners

Sec. Cor. to secs. 35-36-1-2

Original Monument:
5" x 5" post

Original Witnesses:
30" fir, S. 12° E., 63 lbs. Mkd. ThS.R.10W., S.1 BT.
50" fir, S.50°W., 53 lbs. Mkd. ThS.R.10W., S.2 BT.
30" fir, N.53°E., 120 lbs. Mkd. T3S.R.10W., S.35 BT.
24" fir, N. 33°E., 163 lbs. Mkd. T3S.R.10W., S.36 BT.

I found a 2" x 2" squared fir post 4 8" above ground in good
condition set by M. Whitmore 2-28-51.

I found the orig. 50" snag, N.29°E., (not N.33°E. as in orig.
record) 53 lbs. with the lower half of a "B" visible.

The S.W. and S.E., and N.W. BT® are in their proper bearings
and distances but all marks are rotted away.

I set 1" pipe 2 ft. above ground and mark 4 new BT®.
11" fir, S.50°W., 46½ ft. Mkd. ThS.R.10W., S2 BT.
20" fir, N. 21° 30'W., 29 ft. Mkd. T3S.R.10W., S35 BT.
9" cedar, S. 27°E., 36½ ft. Mkd. ThS.R.10W., S.1 BT.

Leonard Whitmore, Tillamook County dep. surveyor, 5-11-62
