History of original corner establishment:
Corner originally set by Henry Meldrum in 1879. In 1949 Anderson set a 1½" iron pipe and scribed 2 willow BTs. In 1956 2 2" pipes were set as accessories. Carlich found remains of Willow stump and 2 2" accessory pipes plus the corner pipe.

Because of difficulty of removing old pipe and resetting brass cap in asphalt, I left old pipe in place and set brass cap as witness to true corner 13.9 ft due south
Set steel fence post 2½ ft due east of brass cap with attention sign facing north.
