CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

This corner had never been established.

Note:
In 1898, the Tillamook County Surveyor set a random 1/4 Section corner in CS 125 (§3-208). Later references call this the C 1/4, but because of the technique used I could not claim it.

Reference:
Plat dated July 1973 by Timberland Services, Inc. under my signature.

Description of corner evidence found:

None

Description of monument and accessories I established to perpetuate the original location of this corner:
