CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

This corner was originally set by the G.L.O. in 1879 under contract No. 301. They set a fir post 5'x4"x4" for the corner, from which:

48" Fir N 24° E 62 lks.
24" Fir S 16° W 29 lks.

Description of corner evidence found:

In 1961 Leonard Whitmore, Deputy County Surveyor, found both bearing trees, but no evidence of the original post or any scribing. He found an old line blaze about 200 feet to the east. He set a 4"x4"x30" limb and marked two new BT's.

12" Fir S 57° W 5.5 feet
mkd. "1/4 S 5 BT"
9" Fir N 45° E 27 feet
mkd. "1/4 S 32 BT"

Description of monument and accessories I established to perpetuate the original location of this corner:

Since 1961 one of the original bearing trees, which are now snags, has slid down the hill. I found one original bearing tree and Whitmore's post and two bearing trees. I set a 2 1/2" x 30" galvanized iron pipe with a brass soap riveted to the top marked:

T 4 S R 9 W T 5 S
1/4 S 32 1975
S 5
RPLS 942

All bearing trees have been banded with red paint and attention signs and BT tags have been attached. All scribed have a 3/4" brass washer, with "LS 942" engraved on it, nailed in the face.

Witnessed: D. M. Jackson

Office of County of
State of, I hereby certify that the within instrument was filed in this office for record on the day of .

COUNTY OFFICIAL (DEPUTY)
Set this 6th day of February 1975
