CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

This corner was originally set the the G.L.O. in 1880 under Contract No. 364. They set a post and marked two BT's.

- 4" Vine maple N 75° W 5 lks.
- 4" Vine maple S 30° E 30 lks.

Description of corner evidence found:

I found no evidence of the original corner or its accessories. In 1895 the County Surveyor set a post and marked 2 BT's.

- 8" Crabapple S 85° E 134 lks.
- 6" Maple S 29° W 116 lks.

This corner was found and a pipe was set in 1924 (A-181). No mention was made as to the method in which this corner was set and it is evident that he came south 40 chains from 32132. This pipe was plowed out and another set in its approximate position by Mr. Claus Erickson. I found this later pipe. CS A-1605 uses this pipe for control.

Description of monument and accessories I established to perpetuate the original location of this corner:

After consultation with the G.L.O., I disclaim this 2" pipe as a valid corner. At proportionate measurement, I set a 2 1/2" x 30" galvanized iron pipe with a brass cap riveted to the top marked:

<table>
<thead>
<tr>
<th>T 5 S R 9 W</th>
<th>1/4</th>
</tr>
</thead>
<tbody>
<tr>
<td>S 5 S 4</td>
<td>1975</td>
</tr>
<tr>
<td>RFLS 942</td>
<td></td>
</tr>
</tbody>
</table>

from which:

- 27" Maple N 39° E 94.9 feet mdk. "1/4 S 4 BT"
- 2" pipe (CS A-1605) S 64° 08' 45" E 210.01 feet

All bearing trees have been banded with red paint and attention signs and BT tags have been attached. All scribes have a 3/4" brass washer, with "LS 942 engraved on it, nailed in the face.

Witnessed: E. W. Taturo

Office of County of State of , I hereby certify that the within instrument was filed in this office for record on the day of .
