History of original corner establishment:

This corner was set by proportionate measurement by the General Land Office in 1933 under a dependant resurvey of T4S R8W. They set a brasscap from which:

30' Fir S 32° W 27 Links
8' Fir N 9° E 45 Links

Description of corner evidence found:

We found the brasscap badly bent and out of position. We reset a 2 1/2" X 30" galvanized iron pipe with brasscap and marked one bearing tree.

25' D. Fir N 09° E 23.7 feet
42' D. Fir Stump S 32° W 17.8 feet

Description of monument and accessories I established to perpetuate the original location of this corner:

I set a 2 1/2" X 30" galvanized iron pipe with a flared bottom and a brasscap riveted to the top marked.

T 4 S R 8 W From Which,
1/4 14' Douglas Fir S 19° W, 43.7 feet
S 3 | S 2 Scribed "1/4 S 3° B.T."
1977 25' Douglas Fir N 09° E, 23.7 feet
RLS 1073 42' Douglas Fir Stump S 32° W, 17.8 feet

I set two 6' steel fence posts with Boundary signs and Land Survey signs. All bearing trees have brass washers, attention signs, bearing tree tags, and red painted bands on them.
