At the closing corner to Sections 13 and 24 in Township 6 South,

on the West boundary of Township 6 South, Range 8 West of the

the GLO records of 1887 and from said stumps I re-established
the corner point at which I set a 1 1/2" X 30" Iron Pipe with 2"
Polk County Brass Cap marked: " T.65., R.9W., S 13, S 24,
S 18, R.8W. 1977". The old stumps I found are as follows:

visible. 55" (50") FIR STUMP, S.20°W., 11.2 feet to face, scribes
"SR S 2 BT" visible. I marked the following new trees: 8" D. FIR,
