History of original corner establishment:

The original corner was set by Henry Meldrum in 1884. The G.L.O. performed a dependant resurvey of the township in 1933 and set a brasscap at the position of the original corner.

Description of corner evidence found:

Found 1933 brasscap on the west edge of Forest Service Road No. S494 at lip of cut bank.

- 26" Alder S 75° W 14 feet (M. Whitmore 1949)
- 37" D. Fir S 30° E 223 feet (L. Whitmore 1969)
- 36" D. Fir N 69° W, 65.4 feet

Description of monument and accessories I established to perpetuate the original location of this corner:

Because of the proximity of this corner to the cut bank we set a witness corner and reference monument to perpetuate this corner position.
