History of original corner establishment:
Corner established by Samuel G. Caudle under contract #364, dated August 12, 1880.

Set post, for 1/4 Sec. cor., from which
a cedar, 48 ins. diam., bears S55°W, 45 lks.
a fir, 50 ins. diam., bears S38°E, 50 lks.

M. Whitmore, Tillamook Co. Deputy Surveyor, 1958, found the
above-mentioned BT's with all scribe marks gone. The S.W. cedar
was lying upon the ground.
He also found a 20" alder, N50°W, 6 ft. with scribe marks "1/4 S 3BT" previously marked
by the County Surveyor, R.L.S. 259.
He set a pipe and marked additionally a 22" alder, N47°E, 20-1/2 ft. scribed "1/6S34BT."
L. Whitmore believes distances to alders to be measured to the face of the BT.

Description of corner evidence found:
M. Whitmore's pipe was not found.
Post 4" diam., 4 ft. long.
30" alder BT, N50°W, 7.6 ft., no visible scribing set by County Surveyor.
30" alder BT, N47°E, 19.3 ft., scribing visible 1/4 S34 T.
Distances to BT's were measured to the side center.

Description of monument and accessories established to perpetuate the
original location of this corner:
Set a 30"x3" diam. aluminum cap 6 ins. above the ground MD.
Aluminum cap has a magnet in the top and base with a break-away
base.

4 ft. post is lying on the ground beside the cap.

Set a 6 ft. fence post with an attention sign and property
boundary sign 1-ft. north of cap.

L. Whitmore scribed a 10" fir, N60°W, 16.5 ft. "1/6S33CS BT"
Painted a 6" band of red paint around all BT's
Nailed attention signs to the back side of all BT's
Posted BT tags on all BT's

Witnesses by L. Whitmore, Tillamook Co. Deputy Surveyor
