I found a 2" iron pipe with a 3" Crown Zellerbach brass cap, (See Tillamook County Surveyors Map #8-737 and rewitness book 6 at page B, Tillamook County Surveyors Records), and encased in a 10" concrete cylinder.

History of found monument

I found this monument to be as reported on said map and rewitness, and the references found and/or set at that time to now be as follows:

Original 20" hemlock N. 80°E. 29 1/2ls. Reported on map B-737 as found original at bearing and distance, scribing visible; (Now a stump remains, shattered by logging).

Original 24" hemlock N. 79°W. 42 1/2ls. Reported on map B-737 as found original at bearing and distance, scribing visible; (Now a stump remains, shattered by logging).

B-737 B.T. 16" hemlock S. 50°E. 27.8'; (Not found, position now under large slash pile).

B-737 B.T. 20" hemlock N. 52°W. 50.6'; (Found, now 26" stump 4' high at record bearing and distance; Scribing visible on partially healed face).
