TILLAMOOK COUNTY SURVEYORS OFFICE

SECTION CORNER COMMON SECTIONS

1969 TSRR10W

S26 S25
---
S35 S36
RS 376

I found a 3/4" iron pipe with a 3" Crown-Zellerbach brass cap, disturbed by logging operation. I reset from found bearing trees as shown below (see T.C.S. Map #B-737 and Rewitness Book 6 at Page 7). I encased the found iron pipe in a 10" concrete cylinder.

History of found monument

This monument falls in the roots of 18" alder and was bent over by yarding logs over the corner area. I straigtened the Iron Pipe and reset from found bearing trees, which fit well except for the SW B.T.

Original 72" fir N.40 W. 59 lks., reported on above as 7' stump: (Found now an 84" stump smashed by logging at position).

Original 10" hemlock S.74 W. 55 lks., reported on above as 18" hemlock stump with scribing visible; (Found, now an 18" hemlock stump 6' tall S.74 W. 36.3" no marks visible).

(Book 6 Page 7) 12" fir N.36 E. 12.9' to face; (Found, now a 17" fir stump 1' high N.36 E. 12.9'. I saved the face open to get a good distance. Scribing visible.)

(Book 6 Page 7) 20" fir S.52 E. 34.8' to face; (Found, now a 30" fir stump 5' tall S.52 E. 34.8'. I saved open the face to get a good distance. Scribing visible).

(Book 6 Page 7) 10" fir S.38 W. 36.5' to face; (Found, now a 15" fir stump 18" tall S.38 W. 36.5'. I saved open the face to get a good distance. Scribing visible).

(Book 6 Page 7) 15" hemlock N.81 W. 41.3' to face; (Found, now a 23" hemlock stump 5' tall N.81 W. 40.5. I saved open the face to get a good distance. Scribing visible).

New Accessory

#72" light hat section post N.10 E. 1.0'.

*indicates Tillamook County Surveyors yellow metal location post attached.

Comment: The corner set by Book 3 Page 301 was reset at the correct location by Book 6 Page 7. (Also see Map B-737).

Monument Location

This monument is located approximately 100' East of the bottom of small ravine and approximately 250' SW of a landing in the roots of an 18" alder stub 4' tall.

In the presence of Dan McNutt and Al Dvorak
