--- ---
MC
1991

I found a 3/4" iron pipe with a plug and tack 1' deep in a 4" diameter protection pipe approximately 1'
North of the North rail of the P.O.T.B. Railroad. I
set a 3" Tillamook County Surveyors Brass Cap on a
5/8"x 12' iron rod over the found I.P. and filled
the 4" protector pipe. (top flush with the ground
surface), with concrete.

History of found monument

I found this monument to be as described in said T.C.S. Map #8-1531
and the rest of the more recent maps listed below.

New Accessories

*72" light hat section post South 25.4'.

*indicates Tillamook County Surveyors yellow metal location poster
attached.
