I found a 1 1/2" iron pipe with a 3" O.S.B.F. Bronze Cap (see T.C.S. Rewitness Book 1 at page 360), approximately 14' deep, on the NE side of an old logging road. I encased the found monument in an irregular mass of concrete.

**History of found monument**

I found this monument to be as described in said T.C.S. Rewitness and the references set at that time to now be as follows:

- *9" Alder S.4 1/2"W. 24.5'*. (Found, now 20" Alder, with stretched scribing visible).

- *65" Fir stump N.33'E., 109.4'*. (Found, scribing visible, old O.S.B.F. yellow metal location post attached).

- *4"x 4"x 5"+ white pointed cedar post N.21'E. 6.9'*. (Found, with old O.S.B.F. yellow metal location post attached).

**New Accessory**

*72" light hat section post N.30'E. 6.95'.
