CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

In 1898, Charles Branson set a 14"x10"x8" Basalt Rock 9" in the ground, and raised a mound of stones.
No trees near

In 1961, Mervin Whitmore in Tillamook County Surveyors
Re-Witness card R696, found a man-made rock mound on a
steep west slope. Also found the marked stone with a
visible "S16", 50 feet down the slope on a bench. He reset
the stone in the rock mound and marked:
A 28" Fir, N 26° 1/2° E, 37 ft.
A 18" Fir, S 6° 1/2° W, 18.5 ft.

Description of Corner Evidence found:

August 6, 1996, found the original stone marked "S16"
in a mound of stone on a steep west slope, from which:
A 38" Fir, N 26° 1/2° E, 37.0 ft., healed blaze
A 25" Fir, S 6° 1/2° W, 18.5 ft., healed blaze
(trees have BT and Attention signs)

Description of monument and accessories I established to
perpetuate the original location of this corner:

I set a 5"x8"x30" iron rod with a 3 1/4" Aluminum tablet
in place of the original stone. (set stone alongside
the new monument)

Set an orange fiberglass post with a "Land Survey
Marker" decal next to the monument.

Painted Red Bands around the BT's.

Witness: Randy Zanon
Equipment: Hand Compass
Loggers Tape

Mag. Decl.: 19° East
