Previous Rewinders, Restorations, Surveys, etc.: Map B-1554 is the rewitness record for this monument.

Found Monument(s) and Accessories (Condition & Source): Found 3" diameter Tillamook County Brass Cap in an 8" diameter monument case in concrete under approximately 2" of asphalt. The found monument is in good condition and is found to be as described on Tillamook County Survey map B-1554.

Monument Set (Procedures & Description): The lid to the 8" diameter monument case was removed and the case was filled with concrete and a 2" diameter Tillamook County Brass Disk was placed at road surface. The 3" diameter brass disk is intact and in position. The 2" brass disk is stamped as shown hereon.

Other New Accessories Set: No new accessories set.

New Bearing Trees: No new bearing trees set.
