Found Monument(s) and Accessories (Condition & Source): Found a 3" diameter Tillamook County Brass cap, upright, 0.30' below the surface with a destroyed cap. Replaced cap as described below.

Monument Set (Procedures and Description): I referenced out the center of the found 3" brass cap and then proceeded to remove the destroyed brass cap and pipe. Set a ten inch diameter cast iron monument box at corner monument position in which a 2" diameter Tillamook County Surveyor Brass Disk on a 6" long piece of 3/4" iron pipe was set in 120 pounds of concrete. The disk is stamped as shown hereon.

Sketch of Set Monument:

Found Accessories - All field measurements were taken using a Topcon GPT 3005 Total Station occupying the corner monument.

Found the 84° Hat Section post leaning and out of position. Placed back to record position at (East 19.5').

Found power pole #331100 with a scribed triangle in pole (N89°E 39.37') and reset a nail in the center of the triangle which bears N89°E 39.55'.

Found pole #041800 with a scribed triangle in pole (S44°E 23.60') which bears S44°E 23.67'.

Found Northeast corner of concrete house foundation (S66° 30'E 97.60') at record position.

Some of the distances to the power poles have changed due to the tension of the guy anchors.

(1') - Record values from Rewitness Card #257
(2') - Record values from Rewitness Book 5, Page 151

New Bearing Trees Set and/or Accessories Set: There are no trees in this area to mark as bearing trees.

Center of nut on water standpipe which bears South 39° 50' West 22.47'.

Southwest corner of concrete house foundation which bears South 37° 30' East 87.25'.

Location & Comments: This corner is located in a gravel pullout and driveway area on McCormick Loop Road.
