Tillamook County Surveyor's Office

SECTION: 28 & 29  TOWNSHIP: 3 NORTH  RANGE: 10 WEST

DATE: 11/16/2020

CONDITION REPORT

(1) Corner Designation: Quarter Corner common to Sections 28 and 29, Township 3 North, Range 10 West, Willamette Meridian.

History, Condition and Sources: Sam'1D Snowden in 1857 was the first to establish the corner he set a Quarter Section post and two accessories, 14" pine N 71' W 47 links, and also set a B.T. a 6" fir S 85' E 27 links. In 1911 the Tillamook County Surveyors office visited the corner and found one accessory a "marked" 12' fir S 85' E 18'. In 1950 W. E. Anderson found one old accessory 22" pine which was a 12" pine N 40' W 47 links and made a new B.T. 14" pine S 44' E 7.2'. In 1967 the Tillamook County Surveyors office visited the corner the set a 1.5' iron pipe flush with ground it was set using the found bearing trees. They also set a 4' x 4' x 4' white cedar post 1' Northerly of the corner. In 1970 the Tillamook County Surveyors visited the corner and set a 2" iron pipe with Brass Cap (as shown hereon) in cement and tile and a 96" hat section post with marker along with a new B.T. a scribed 8" fir S 53' W 30.55'. In 2020 the Tillamook County Surveyors office visited the corner to take a 2nd G.P.S. tie and found that a good portion of the bank that was supporting the monument had slid away from the monument. The monument accessories were checked, and the monument was lowered approximately 2.25'

Monument Set (Procedures and Description): The corner was conventionally tied using two G.P.S. static tied hubs and averaged using the first and second G.P.S. ties. The monument was referenced using two markers to give a distance-distance intersection. The monument was then lowered approx. 2.25' to prevent the monument from moving downhill.

W.G.S 84: Longitude: 45° 43' 05"

Latitude: 122° 55' 33"
