COMMENTS:

REWITNESS

An ALUM FORM around the IP and B.C. and fill it with CONCRETE. I also placed stones around none "Hat Section" the form.

NEW ACCESSORY:

none

COMMENTS: This corner is located on a steep Southeast Slope ± 80 feet East of a ridgeline. The corner is also located in a Northeast timber cutting corner.

IN THE PRESENCE OF: TERRY JONES

ALLAN DUNCAN

DATE: April 1982
