#978

**Description of Corner Monument:**
- 16° Hem., S. 57° E., 32 LKS
- 12° Hem., S. 41° W., 2.3 LKS
- 7° Hem., N. 39° W., 3.6 LKS
- 7° Hem., N. 73° E., 2.5 LKS

**Description of Bearers or Other Official Accessories Found:**
- Scribe Marks, Showing scribe marks.
- A 8° Hem., N. 48° W., 3 LKS, with healed face. These are not original BTs but evidently marked by record M. Whitmore, USFS, 6-27-23.

**Describes Corner Location Relative to Nearby Features:**
- A private surveyor and not recorded.
- The remains of the old original BTs are rotted off, while new set 1/4 inch yellow pipe 18' high + M 13 1/2 X 18罗

**Signature:**
- Leonard Whitmore, Forestry Tech I, 3-6

**Comments:**
- County corner re-established. Certification and Signature by Leonard Whitmore, USFS.

**Assessments:**
- Describes new BTs witness objects, etc., established, or work done to preserve existing evidence.

**Work Done By:**
- Leonard Whitmore

**Updated:**
- 2-13-73

**Remarks:**
- I chopped open the NE and NW BTs as found by M. Whitmore and found each scribed "BT 34." From the corner point I found remains of stumps fitting bearing and distance of the original S.E. and S.W. BT.

**Signatures:**
- Leonard Whitmore, USFS, 2-13-73
