MEETING INFORMATION AND RULES

- Matters for discussion and consideration by the board shall be placed on an agenda prepared by the Board Assistant and approved by the board chair. Any commissioner may request items on the agenda.
- Public hearings are formal proceedings publicized in advance through special public notice issued to media and others. Public hearings held by the board are to provide the board an opportunity to hear from the public about a specific topic. Public hearings are therefore different regarding audience participation at regular and workshop meetings.
- Individuals who wish to testify in-person during meetings and hearings shall do so at the table placed in front of the dais. Individuals testifying will, for the record, first identify themselves.
- Commissioners will be addressed by their title followed by their last name.
- Commissioners shall obtain approval from the chair before speaking or asking questions of staff, presenters, and public. As a courtesy, the chair shall allow an opportunity, by the commissioner who has the floor, to ask immediate follow-up questions.
- A majority of the board shall constitute a quorum and be necessary for the transaction of business.
- All board meeting notices are publicized in accordance with public meeting laws.
- All board meetings will commence with the Pledge of Allegiance.
- The chair will utilize the gavel as needed to maintain order, commence and adjourn meetings, and signal approval of motions.
- The board reserves the right to recess to executive session as may be required at any time during noticed public meetings, pursuant to ORS 192.660(1).
- The courthouse is accessible to persons with disabilities. If special accommodations are needed for persons with hearing, visual, or manual impairments who wish to participate in the meeting, please contact (503) 842-3403 at least 24 hours prior to the meeting so that the appropriate communications assistance can be arranged.

Attention: BOC MEETING AUGUST 04, 2021 (ITEMs 14 & 15)

Mary Faith Bell, Chairman,
David Yamamoto, Vice-Chair,
Erin Skaar, Commissioner.

Regards: USACE Easement Offer (ER 405-1-620)

Documents called for on Meeting Items 14 & 15 aren't clear as to Jetty inclusion or exception.

Comments:

1. I personally am in opposition to the purchase of the jetty itself. The remainder of the easement I can support.
 - The USACE is jetty responsible under -
 - Navigable Waters Protection Act up to the Lumberman's Pier in Garibaldi east of the US Coast Guard Station.
 - Waters of the United States (WOTUS) up to the head of tide (being updated to replace the Navigable Waters Protection Act in near future).
2. If Tillamook County purchases the jetty we, the people, would be responsible for Budgeted repair costs of the jetty that are very expensive.

Thanks for your attention to this matter.

[NOTICE: This message originated outside of Tillamook County -- **DO NOT CLICK** on links or open **attachments** unless you are sure the content is safe.]

I am curious why the "strip logging" is allowed at all during this record breaking drought? Some public roads are closed to motor vehicles, yet the investor owned Weyerhaeuser entities seem to be allowed to cut thousands of trees to expose the ground to this excess heat, causing even less shade(coolness) and more desertification, in return exposing all of us here in Tillamook and counties to higher risks of fire. This seems to be happening all across the country in states that these "investor" owned lands are a heavy presence in.

[NOTICE: This message originated outside of Tillamook County -- DO NOT CLICK on links or open attachments unless you are sure the content is safe.]

To whom it may concern,

It has been brought to my attention that you will be voting next week on county wide mask mandate. As a resident of Tillamook, I ask that you please allow the citizens the choice of wearing a mask. Please allow us the freedom to make the decision on our own. My kids can't breath with these masks. All these mandates have to end. Let us breathe!!! Listen to the people!

Sincerely,

Subject: EXTERNAL: No on mask mandates

[NOTICE: This message originated outside of Tillamook County -- **DO NOT CLICK** on links or open attachments unless you are sure the content is safe.]

I implore you to vote NO on a mask mandate.

Our county and its residents haven't been ravaged by covid, we have been ravaged by the actions taken by government officials which have caused small businesses to shut down, people to lose their jobs, families to lose their homes. Mental health issues, suicides, drug abuse have all seen an uptick and mask mandates, shut downs, not allowing people to gather, have all had HUGE impacts on our community.

Our children have suffered greatly through all of this madness. They were suddenly ripped from their classrooms and forced to figure out a new online platform that did not provide sufficient, one on one, engaged access with their teachers. When they were allowed to return, they returned being treated as lepers "wear your mask or we will send you home" "don't get close to your friends" "keep your distance" these are statements my children heard while at school. My children deserve to have a welcoming, engaging, consistent, in person learning experience. As a parent, as a citizen of the United States and resident of Tillamook County I am 100% against a mask mandate.

Enough is enough! We want our rights to be heard and respected. Businesses should not be forced to require masks, schools should not force students and teachers to wear masks, people should not be forced to wear a mask while engaging in normal daily errands. People point to science, but there are just as many studies that show masks are very unhealthy, do not protect against covid and can end up causing other issues for children. Let people decide for themselves.

I will eagerly await the results of your vote next week and I hope you will fully consider the many, many, many constituents that in no way support a mask mandate.

Thank you

Julie Steinbach
