Congratulations!! Your application was selected for a scholarship to attend our 2022 NORFMA Annual conference, in Vancouver, WA. We look forward to seeing you at the conference.

We will complete the conference registrations for you next week, so look for a confirmation auto-email from our web system. You are responsible for making your own hotel & transportation arrangements. If you need GSA rates for the hotel, please book ASAP as those spots are going quickly.

Stay tuned for more information from us in August & September: we don't have the agenda set yet so volunteering timeslots are TBD.

If you have any questions between now and then, just email me.

Sincerely,
