**CONDITIONAL USE PERMIT  
RECREATIONAL CAMPGROUND**

**GENERAL INFORMATION**

**Request:** Permit for a Recreational Campground on 18 acres in Tierra Del Mar, Oregon.

Oregon Treehouse Partners is requesting a Type II Administrative review and approval.

**Location:** Subject property is located at 600 Floyd Avenue, Cloverdale, Oregon 97112.

The subject property is accessed via Sandlake road, a County coastal road coming from Pacific City and going through Tierra del Mar, an Unincorporated city. The tax Lot number for the property is – 0800-213879 and described as – The Northwest quarter of the Southwest quarter and that portion of Government lot 6, Section 6, in Township 4 South, Range 10 West of the Willamette Meridian, in the county of Tillamook and State of Oregon.

**ZONE:** RR-2

**Applicant:** Oregon Treehouse Partners, LLC – 1276 NW 107<sup>th</sup> Avenue Portland, Oregon 97229

**Property Owner:** Oregon Treehouse Partners, LLC- 1276 NW 107<sup>th</sup> Avenue Portland, Oregon 97229

**Description:**

The proposed Conditional Use Permit is for a year-round Recreational campground on 18 acres, zoned RR-2 in Tierra del Mar, Oregon.

This is a low impact environmentally focused project that retains the beauty and integrity of the forest and fauna property with a low impact and is lawful and not harmful to the public.

The campground will consist of a 3,630 sq foot Recreational support building with bathrooms, showers, small Sundries/convenience/gift shop, small prep kitchen, inside seating, and outside seating deck area.

Four recreational cabins/Tiny homes on wheels (Sec-5.030), Six tent camping areas, nine owner provided camping tents on decks on temporary pier block foundation next to trees, a common area bathhouse with bathrooms & showers, a multi-use picnic area, and a viewing deck for ocean views.

**Conditional Use Permit Criteria:**

This Conditional Use Permit application is allowed pursuant to Section 6.020. and Section 6.040 whereas.

1. The property is zoned RR-2 and is more than 10 acres which allows Recreational Campgrounds. The proposed use does not have any impacts that extend beyond the abutting properties that would hinder them.

2. The use is consistent with the Tillamook County Comprehensive Plan, Goal 8 (Recreation Element), (SCORP) Statewide Comprehensive Outdoor Recreation Plan, and the Oregon State Legislature (ORS 197.440 1985) which specifically identified Oregon's goal for County's to promote tourism and year-round recreational activities to enhance transient revenue, jobs and promoting the State as a vacation destination.

This proposed Recreational campground also follows OAR Chapter 333-031-0001 and Building Codes Division Chapter 918-650-0000.

3. The parcel is compliant for a Recreational campground as it is 18 acres, located a good distance off the road system, surrounded by forest and fauna in a natural setting. There are existing roads already established that are to recreational campground guidelines.

4. The proposed CUP will not alter the character of the surrounding area, In fact the opposite.

The goal of the CUP by the applicant is to keep the property as natural and untouched as possible to enhance the beauty, integrity and appearance of the recreational campground. Because of that it will not limit, impair, or prevent any surrounding properties for permitted uses listed in the underlying zone. There is a fifty-foot buffer zone located around the entire property except the east side which is owned by the applicant.

5. The proposed CUP does not have a detrimental effect on existing Solar, Wind, or Conversion energy systems, and will in fact utilize solar as a means of energy.

6. The proposed use is timely, as the demand for year-round facilities in Tillamook County, Pacific city are in demand and there is a shortage of facilities existing. There are not any facilities located in the Tierra del Mar area.

7. Meets minimum safety standards for Oregon Health Authority Chapter 333-031-0001 Division 31 and Recreational Parks design - construction OAR 455.680

**RECREATIONAL SUPPORT CABIN-**

The support cabin will be 3,630 square foot single story with deck and handicap accessible. This building will support the campers with four (4) bathrooms, two (2) showers, inside seating area with fireplace to get out of the elements, small catering /prep kitchen, sundries store area for items campers need, and viewing deck of the ocean. We will utilize and maintain the natural landscaping surrounding the cabin.

- A. Handi-cap accessible ramp.
- B. 4 bathrooms – 1 men’s /1 women – 2 gender neutral.
- C. 2 – gender neutral showers.
- D. Common area inside seating and outside seating deck for ocean views.
- E. Sundries / convenience store / gift shop area.
- F. Catering / Prep kitchen- salads / soup / sandwiches / take away items for campers.
- G. Handicap parking in front.
- H. Building type V8 Fully sprinkled.
- I. Height is 20’ above grade single story.
- J. Code Reference – 3.010 Rural residential (RR-2) article 5,6,10,11.
- K. Lot size is 18 acres.
- L. Well, located onsite next to the building and required distance.
- M. Natural vegetation will be utilized and maintained for landscaping.
- N. A 30’ buffer for fire protection will be implemented OAR 660-06-035.
- O. Follows Scope & Purpose OAR 918-650-0010 (1) (2) and Minimum safety requirements OAR 455.680.

**Recreational Support Cabin Plan**

# Recreational Support Cabin Section

### ARTICLE XI:

- **BUILDING HEIGHT:** The vertical distance of a building measured from grade to the highest point of the roof.
- **GRADE:** The average elevation of the existing ground at the centers of all walls of a building.

# Recreational Support Cabin Elevation

**ACCESSORY CABINS –**

There will be four accessory cabins at the beginning of the property in the SW corner. These cabins will be approximately 12 X 32, 384 sq ft single story, built to IBC standards, Oregon DOT and be portable on wheels similar to tiny home / RV trailers. They will be quick release connected to a sewer, water system, already inspected by County sanitation, and connected to Tierra del Mar water company, as evidenced by “letter of Supply” (Exhibit A) provided. There will be a wood fence partition between each unit for privacy. Natural vegetation will be utilized and maintained for landscaping. Existing fire regulations will be adhered to.

These accessory cabins are a compliment to the recreational campground by providing transient lodging to families and groups who wish to camp but do not have a tent or a desire to pitch one.

- A. Code – Recreational Campgrounds Section TCLUO 5.030 – Accessory uses may include recreational cabins / RV.
- B. All Accessory cabins have been assigned a space number.
- C. Space size is 23 x 40 feet with a single parking space.
- D. Spaces are separated by a twenty-foot (20”) distance from each other with a privacy fence OAR 918-650-0055(1).
- E. Accessory cabins will utilize existing natural vegetation and be maintained.
- F. Fire Siting standards will be implemented OAR 660-06-035.
- G. Tiny homes / Park models will fit DOT ANSI A119.5 / NFPA 1192 standard per House Bill 2333- 2019.
- H. Square footage will be under 400’ square feet.
- I. Accessory Cabins / Tiny homes will be on wheels with yoke for towing.
- J. Connected to Tierra del Mar water company & county approved sewer with quick release connectors.
- K. Bathrooms and showers located within accessory cabins.
- L. Handicap accessible ramps to cabins.
- M. Garbage containers will be located close to accessory cabins, 30 gallon and be State approved OAR 918-650-0045 (9) ( c ) ( A )

**Accessory Structures**  
Cabins - Sample product

<https://wheelhaus.com/>

- (4) total
- 400 sf each
- 10.5ft wide x 38ft long

- <https://wheelhaus.com/>

## CAMPSITES-

There will be six numbered campsites 23' feet wide 40' deep and distanced 15 feet apart with State approved fire rings and garbage containers. They are distanced 10' feet from the right of way road, community, and service buildings. Each campsite will still have access to the right of way road. No on-street parking is allowed, only in common area parking spaces. We will utilize and maintain existing natural vegetation for landscaping.

The existing right of way road exceeds the 16' foot requirement for the recreational requirements and will be finished to county road standards. Light poles will be installed for lighted walkways. All campsites have access to the common area bathhouse within 500' feet away. Fire protection will be in the form of a 500-gallon water tank reservoir with a 300-foot hose box and on demand generator for pumping centrally located for access to all sites. All will be constructed per OAR 918-650-0045

- A. Six numbered campsites 23 feet by 40 feet
- B. There will be a 20-foot clear / distance to the next space OAR 918-650-0055 (1)
- C. Natural Vegetation shall be utilized and maintained
- D. 500-gallon water storage tank with h300" foot hose box and on demand generator located within 250 feet from each site
- E. State approved fire pit rings with vegetation clearing for fire protection will be located on each camp space OAR 918-650-0045 (7)
- F. Electrical post for plugging in electronics will be located in each space
- G. Each space is properly distanced from right of way road while still having access
- H. Garbage cans with approved closure for wildlife will be provided with access from all camp spaces. OAR 918-650-0045 (9) (a,b)
- I. No on street parking is allowed
- J. light poles will be positioned along right of way road and 3-foot pathway to bath house
- K. Bath house located within 500 feet from camp space
- L. Three-foot access (3) pathway to each campsite with proper drainage and access to right of way.
- M. Access road is 16 feet wide and lighted.

**OWNER PROVIDED TENT SITES- 333--031-0002 (3)**

There will be nine (9) owner provided tent sites with wooden decks placed on pier blocks, temporary platforms on the ground. All will be constructed per OAR 918-650-0045

- A. Tents are manufactured to approved safety codes and requirements (see exhibit picture).
- B. Each tent space will be numbered OAR 918-650-0045 (2C).
- C. Each space is 30 x 40 feet – deck is 26 x30 feet separated 20’ apart from the next space per OAR 918-650-0055(1).
- D. 3-foot-wide pathways to tent spaces will be lighted with proper drainage and access to the right of way.
- E. State approved fire rings will be located on each site OAR 918-650-0045 (7).
- F. Electrical posts connection will be located on each space for camper use.
- G. Fire protection will be in the form of a 500-gallon storage tank with a 300-foot hose and on demand generator. Fire truck will also have hose access from the main road. (See site plan).
- H. Garbage bins will be placed within reach of all campsites and approved State requirements OAR 918-650-0045 (9) (a,b).
- I. Access road is 16 feet wide and lighted.
- J. Bath house is within 500-foot walking distance and lighted.
- K. No on street parking is allowed.
- L. Each camp site is properly distanced from the right of way while still having access.
- M. Natural vegetation for landscaping will be utilized while maintaining safe fire practices.

**Tent types**

<ul style="list-style-type: none"> <li>● Freestanding</li> <li>● Lightweight</li> <li>● Fast and easy setup</li> <li>● Stable in high wind</li> <li>● Good for extreme weather</li> <li>● Less headroom</li> </ul>	<ul style="list-style-type: none"> <li>● Lightweight</li> <li>● Fast and easy setup</li> <li>● More headroom</li> <li>● Non-freestanding</li> <li>● Less stable in high winds</li> <li>● Not ideal for extreme weather</li> </ul>	<ul style="list-style-type: none"> <li>● Ample interior space</li> <li>● Good headroom</li> <li>● Multiple rooms</li> <li>● Heavy and bulky</li> <li>● Less stable in high winds</li> <li>● Not ideal for extreme weather</li> </ul>	<ul style="list-style-type: none"> <li>● Ample interior space</li> <li>● Good headroom</li> <li>● Heavy duty canvas</li> <li>● Some models can be used with a wood stove</li> <li>● Non-freestanding</li> <li>● Very heavy and bulky</li> <li>● Expensive</li> </ul>	<ul style="list-style-type: none"> <li>● Freestanding</li> <li>● Single wall</li> <li>● Maximum interior space</li> <li>● Very stable in high winds</li> <li>● Good in extreme weather</li> <li>● Large and bulky</li> <li>● Expensive</li> </ul>

**Raised wooden Deck w/Owner provided Dome Tent**

**Tillamook County Code 153 - Tent:**

A fabric shelter supported by poles or rope, which is designed for human occupancy and to be used temporarily for recreational or emergency purposes, but not for permanent or residential purposes.

<http://tillamook.gov/wp-content/uploads/2016/08/Chapter-153-all-uses.pdf>

**BATH HOUSE-**

There will be two common area bath house locations. One in the Recreational support cabin and a stand-alone one centrally located on the campground site plan near parking spaces. The bath house will be constructed to Oregon Health Authority specks and OAR 918-650-0050 (1) (a,b,c,d) and ORS 333-031-0012 (1) (2) and will meet Oregon Structural Specialty Code and the Oregon Mechanical Specialty Code.

- A. Bath house will be located within 500 walking distance from all campsites.
- B. Bath house will be well lighted, and signs posted.
- C. Bath house will be accessed by right of way and 3-foot lighted pathways.
- D. Handicap bathrooms and showers will be provided.
- E. Floor, shower stalls, and walls will be smooth, impervious to water and easily cleaned.
- F. No Wooden racks, duckboard over showers or glass other than safety glass will be allowed.

**ROADS & PARKING- See site plan**

- A. Interior roads are 26' feet wide or greater to accommodate fire truck and safety equipment finished to country road standards
- B. Culverts will be placed in proper areas for drainage and able to support 50,000-pound weight load for Fire vehicles, safety equipment.
- C. Two (2) Fire truck turnouts are strategically placed on the road for safety, one by the Recreational Support cabin and another halfway up the main road.
- D. There are 24 regular and 2 Handicap parking spaces which exceed the minimum requirement, located at intervals throughout the campground.
- E. Main road will be lighted for vehicle and pedestrian safety.

**FIRE SAFETY- OAR 333-660-06-035**

- A. Main road will be 26' feet wide and finished to Country Road standards for a Fire truck.
- B. Culverts will be established with a 50,000-pound weight load capacity.
- C. Recreational Support cabin will be sprinklered and major brush will be cleared 30 feet around the building for Fire break while maintaining natural vegetation for landscaping.
- D. Campsites will have a 500-gallon water storage tank with 300-foot hose box and on demand generator for pressure and ability to reach all campsites.
- E. Fire truck will have the ability to reach most campsites from the main road.
- F. Recreational Support cabin water well to be well located at appropriate distance for fire truck hookup ability.
- G. Fire extinguishers will be strategically located throughout the campground.
- H. Accessory cabins will have 30-foot clearing of overgrown brush while still maintaining natural vegetation for landscaping.
- I. Accessory cabins will have fire extinguishers in each cabin and smoke & CO2 detectors.

**UTILITIES / WATER / SEWER- 333-031-0004 / 333-031-0006**

- A. Accessory cabin water supply will be provided by Tierra del Mar water Company in accordance with county rules and regulations. See Exhibit A.
- B. Water for the Recreational Support cabin and campsites will be supplied by a water well drilled onsite in accordance to 333-031-0004.
- C. There will be two (2) septic systems onsite, one located by the Accessory cabins and inspected by County sanitation. The other will be centrally located in the center of the recreational campground and located by the common area bathhouse. Both will be in compliance with County sanitation requirements and 333-031-0006.
- D. Electricity will be connected from the main road and run through the recreational Camp. See Civil engineering plan with nearest electrical pole located on plan from the property line. All performed under 918-650-0045.

**LETTER OF SUPPORT**

TO WHOM IT MAY CONCERN,

I reside at 6080 Floyd Avenue in Cloverdale, Oregon and I am a neighbor of the Oregon Treehouse Partner's 18-acre property located on 600 Floyd Avenue.

The Managing Member of Oregon Treehouse Partner's, Kevin Gindlesperger, has shared with me the vision for the Recreational Campground proposed for this property.

After going over the project with Kevin, I was impressed with the fact that their vision is to create a place where people can relax and enjoy the beauty of the area in the woods and beach with views of the ocean.

I especially liked the fact that their plan has little impact on the land or environment.

I endorse and support this project as I feel it will be an asset to the Tierra del Mar, Pacific City area as a different type of lodging experience and will add to the overall tourism experience of the Oregon coast.

Please reach out to me with any questions or concerns.

Jim Thompson

Tillamook, OR 97141

To Whom It May Concern:

I am writing this evening to express my support of the Tierra del Mar project being proposed by Kevin and Anna Gindlesperger. Kevin and Anna, along with their partners, have crafted a plan to develop the hillside of Tierra del Mar into a recreational campground that is fun and different from other developments in the area. Their vision of a well thought out campground that is intentionally low impact to the environment, seems well suited to the area. It is my understanding that they intend to leave as many of the big spruce trees as possible. Their vision of an eco-friendly recreational campground with all kinds of outdoor activities offered (mountain biking, mushroom hunting, hiking) fits the terrain and the utilities available in the area.

The Gindlesperger's and their partners have their pulse on what today's traveler is looking for: an environmentally sustainable campground for family gatherings and retreats. The plan to enhance the natural features of the area is right on target.

I am excited to see this project develop.

Thank you for your time.

Shae and I have been residents of Pacific City since 2004. The popularity of the area has grown significantly since we first moved here. Because of the large influx of visitors, especially during the summer months, finding places to stay is getting harder and harder.

We fully support Tree House Partners LLC's recreational campground project in the hills of Tierra del Mar. The proposed project will bring access to our area for more visitors in a low impact and sustainable way, while creating additional jobs and tax income for Tillamook County.

Sincerely,

Sean and Shae Lambert

Notary Public - State of Oregon

My Commission Expires: 1/24/2025

**SECTION 5.030: RECREATIONAL CAMPGROUND STANDARDS**

**(1) PURPOSE:**

The purpose of the RECREATIONAL CAMPGROUND STANDARDS is to insure that each new or enlarged RECREATIONAL CAMPGROUND provides necessary facilities, adequate lot area, set-back, and other needed requirements for the public safety, health, and general welfare.

A RECREATIONAL CAMPGROUND is a place where four or more recreational vehicles and/or tents are located on one or more continuous lots, tracts, or parcels of land under a single ownership for temporary recreational camping. A permanent house, mobile home, manufactured home, or recreational vehicle for the owner, operator, or manager of the campground is allowed, however other Sections of the Ordinance pertaining to such use shall apply, including Section 5.010, etc. Accessory uses that may be permitted include recreational cabins, showers, laundry, a grocery, a gas pump, and recreation facilities that are designated for the primary purpose of serving the occupants of the campground. A camper as defined in Article I, shall not be allowed to stay any longer than six (6) months in any twelve (12) month period.

The standards contained in this Section are minimum standards. Additional standards may be required where necessary to meet other requirements of this Ordinance, i.e. Floodplain, ecologic Hazard zone, Riparian Vegetation.

(2) A RECREATIONAL CAMPGROUND shall be built to State standards and shall comply with the following provisions:

(a) A RECREATIONAL CAMPGROUND shall have:

i. A minimum size of 1 acre or the minimum lot size of the zone, whichever is greater;

OTP Lot size is 18 Acres zoned RR-2, which in accordance with SECTION 3.010 (RR-2 Rural Residential) is permitted for use as a Recreational campground as long as it exceeds 10 Acres.

*From Section 3.010 3-(u) Parks, recreational campgrounds, primitive campgrounds hunting and fishing preserves, and other recreational uses and associated facilities, on a contiguous ownership of 10 or more acres.*

ii. A minimum number of 4 sites;

OTP Tierra Del Mar Recreational campground will have 9 owner provided tent sites, 6 tent sites, and 4 RV Tiny Home sites

iii. A minimum width of space 23 feet or state minimum which ever is greater,for each site;

OTP Six numbered campsites 23 feet by 40 feet, 9 Owner provided tent sites where Each space is 30 x 40 feet – deck is 26 x30 feet separated 20' apart from the next space per OAR 918-650-0055(1). 4 RV Tiny home Space size is 23 x 40 feet with a single parking space.

A. Spaces are separated by a twenty-foot (20") distance from each other with a privacy fence OAR 918-650-0055(1).

) )  
) )

iv. Lot depths may vary in size, however maximum unit lengths shall be designated for each proposed space, and each space shall include enough area for the required set-backs along with the maximum unit length;

OTP Six numbered campsites 23 feet by 40 feet, 9 Owner provided tent sites where Each space is 30 x 40 feet – deck is 26 x30 feet separated 20' apart from the next space per OAR 918-650-0055(1). 4 RV Tiny home Space size is 23 x 40 feet with a single parking space.

B. Spaces are separated by a twenty-foot (20") distance from each other with a privacy fence OAR 918-650-0055(1).

v. A minimum distance between actual unit location and interior road right-of-way of 10 feet. Each campsite will have direct access to interior road right-of-way;

OTP All campsites and RV tiny home sites will be set back from the interior road right of way by more than 10 feet and have access to the interior road right of way.

vi. And all property lines not abutting an exterior roadway shall be 10 feet. A minimum distance between actual unit and an exterior roadway shall be 20 feet;

OTP All units will be > 20 feet from exterior roadway with the campground having a 50 foot buffer on all sides from neighboring property lines

vii. A minimum distance between actual units of 15 feet;

OTP All Units will be a minimum of 20ft apart

viii. Minimum distance between actual unit and community or service buildings of 10 feet;

OTP All units and community buildings will be greater than 10 feet apart.

ix. Campground roads shall have a surface width of at least 16 feet with 2 foot shoulders on each side. All interior park roads shall be surfaced to minimum County road standards and well drained. No on-street parking shall be allowed;

OTP The existing right of way road exceeds the 16' foot requirement for the recreational requirements and will be finished to county road standards. Each campsite will still have access to the right of way road. No on-street parking is allowed, only in common area parking spaces.

x. Walkways not less than three (3) feet wide may be required to be provided from trailer spaces to community and service buildings. All access roads and walkways should be well lighted;

OTP Walkways to camp sites and community and service buildings will be 3 feet wide or greater in all areas of the camp. Walkways will have lighting and be well drained.

xi. All areas not used for spaces, motor vehicle parking, traffic circulation, or service or community buildings shall be completely and permanently landscaped or maintain existing natural vegetation. The landscaping shall be maintained in good condition;

}  
}

OTP Natural vegetation for landscaping will be utilized in most places to keep the coastal forest in tact as much as possible. Near and around campsites and community or service buildings landscaping will be maintained.

xii. A sight-obscuring fence and/or buffer strip of vegetation may be required on every side of a RECREATIONAL CAMPGROUND;

OTP The entire camp will have a at least a 50 foot buffer to neighboring property.

xiii. Trash cans shall be provided in convenient locations for the use of guests of the park, and shall be located in such number, and shall be of such capacity, that there is no uncovered accumulation of trash at any time;

Adopted May 27, 2015 Tillamook County Land Use Ordinance Article 5 6

OTP Garbage cans with approved closure for wildlife will be provided with access from all camp spaces. OAR 918-650-0045 (9) (a,b)

xiv. All Recreational Vehicles staying in the park shall be assigned to a space. No space shall have more than one (1) Recreational Vehicle or tent assigned to it, except as provided in State law;

OTP All spaces are numbered for one individual RV/tent use.

xv. Approval of a recreational campground shall not be construed to be an approval of the building plans for building permit review purposes. All proposed building construction must meet Uniform Building Code requirements as part of building permit review;

OTP All buildings will meet uniform Building code requirements and be part of the building permit review.

xvi. On-site storage areas, for park residents only, may be allowed. If allowed, the storage area shall be screened or combined landscape and screening with a 6 foot high sight obscuring fence or hedge along all exterior property lines of the storage area;

OTP No on-site storage is planned for guests/residents at this time.

xvii. Preliminary plans which contain all the information specified in OAR 333-31-059 shall be submitted to the Planning Department when requesting Conditional Use approval.

OTP Preliminary plans have been submitted to the planning department.

xviii. All RECREATIONAL CAMPGROUNDS, which legally existed prior to the date of this Ordinance, and which have submitted complete Master Plans to the department for review, shall be considered an "existing use" if:

1. The RECREATIONAL CAMPGROUND is in compliance with all State regulations and County Sanitation regulations; and
2. Master Plans and review fees are submitted to the department no later than December 31, 1986; and
3. The department issues a letter to the RECREATIONAL CAMPGROUND owner indicating that the campground meets the above two criteria.

If it is determined by the department that the RECREATIONAL CAMPGROUND does meet the first two criteria, the department shall submit the letter, mentioned in (c) above, to the

campground owner. At that time, only that portion of the campground identified in the Master Plan, will then be considered an "existing use".

Only those campgrounds who retain the confirmation letter will be considered an "existing use". In the future, if one of the "existing use" campgrounds enlarge or expand, only that new portion of the campground will be required to meet the County standards.

The "existing use" RECREATIONAL CAMPGROUNDS are to be allowed to remain as they are represented within the accepted Master Plan on only that portion of the property designated. If the use is vacated for over one year the "existing use" designation shall be void, and any new use of the property shall conform to the requirements of this Ordinance.

The "existing use" may be sold or transferred to new owners. The new owners will maintain the same rights as the previous owners.

OTP Does not apply at this time as we are submitting our initial plan.

xix. The accessory commercial uses such as gas pump, laundry, grocery store and recreational facilities shall not exceed the requirements of Rural Commercial, Section 3.020.

OTP The recreational campground will not exceed the requirements in Rural Commercial, Section 3.020

xx. New full hook-up parks requiring a community septic/sewer system are permitted only within adopted unincorporated community boundaries.

OTP There will be two (2) septic systems onsite, one located by the Accessory cabins and inspected by County sanitation. The other will be centrally located in the center of the recreational campground and located by the common area bathhouse. Both will be in compliance with County sanitation requirements and 333-031-0006.

## Wetland/Waterway/Other Water Features

There are/may be wetlands, waterways or other water features on the property that are subject to the State Removal-Fill Law based upon a review of wetland maps, the county soil survey and other available information.

The National Wetlands Inventory shows wetland, waterway or other water features on the property

The county soil survey shows hydric (wet) soils on the property. Hydric soils indicate that there may be wetlands.

## Your Activity

It appears that the proposed project will impact wetlands and requires a State Permit.

- An onsite inspection by a qualified wetland consultant is recommended prior to site development to determine if the site has wetlands or other waters that may be regulated. The determination or delineation report should be submitted to DSL for review and approval. Approved maps will have a DSL stamp with approval date and expiration date.

## Applicable Oregon Removal-Fill Permit Requirement(s)

- A state permit is required for 50 cubic yards or more of fill removal or other ground alteration in wetlands, below ordinary high water of waterways, within other waters of the state, or below highest measured tide.

## Closing Information

### Additional Comments

A wetland delineation report was submitted for this site on October 17, 2008. It was withdrawn from review on May 21, 2009 and did not receive concurrence from DSL. There is no active wetland delineation concurrence for this site.

Based on the submitted site plan, the improvements to the existing road, culvert replacement, and bathhouse/septic field locations for this project ("recreational campground") may impact jurisdictional wetlands and waterways of this state. A state permit is likely required for this activity.

If 50 cubic yards or greater of impacts (fills, removals, or other ground disturbances) within wetlands and waterways are anticipated, it is recommended that you have the project areas assessed for jurisdictional wetlands and waterways by a qualified wetland professional prior to earth disturbance activities. A wetland delineation report should then be submitted to DSL for review and approval.

**This is a preliminary jurisdictional determination and is advisory only.**

This report is for the State Removal-Fill law only. City or County permits may be required for the proposed activity.

- A Federal permit may be required by The Army Corps of Engineers: (503)808-4373

### Contact Information

- For information on permitting, use of a state-owned water, wetland determination or delineation report requirements please contact the respective DSL Aquatic Resource, Proprietary or Jurisdiction Coordinator for the site county. The current list is found at: <http://www.oregon.gov/dsl/ww/pages/wwstaff.aspx>
- The current Removal-Fill permit and/or Wetland Delineation report fee schedule is found at: <https://www.oregon.gov/dsl/WW/Documents/Removal-FillFees.pdf>

Melissa,

Thank you for the opportunity to comment. Public Works will require the developer to improve the county road from Sandlake Road to the proposed development as part of the approach permit. The turnaround #1 profile shows a grade of 27%. This is not acceptable and will need to be modified prior to the road approach being approved. A letter from the Fire Department stating that that the grade is acceptable will suffice in lieu of modifications.

Good afternoon Jim and Chris,

I am preparing the Staff Report for the Treehouse Partners Conditional Use request for a campground. The Staff Report is due to the Planning Commission on Thursday afternoon. This is for a 19-site recreational campground in Tierra Del Mar. You can find the application materials here: <https://www.co.tillamook.or.us/commdev/project/851-21-000416-plng>. We sent this out end of December.

Hoping I can get some of your comments on the proposal before we send out on Thursday afternoon.

Thank you for any information!

Written Testimony for Consideration by the Planning Commission

Please include this written testimony that is being submitted by the date required in the packet mailed to the Planning Commission the week prior to the January 27, 2022 hearing on this matter.

I live in the house built by my great grandparents in 1940 on the corner of Floyd Avenue and Sandlake Road. The access road for the proposed development is directly across from me. I often walk up that road and am familiar with the site. I am concerned that development on the hillside, especially near the creek and wetlands, may cause erosion that creates more water runoff and could cause flooding in TDM.

As a long time resident of TDM, I have seen a lot of changes in our area. I am concerned that there is insufficient regulation in the building codes in tsunami zones, rural zones and coastal areas. The influence of corporate and special interest money in "our little beach town" is obvious when you look at who is behind much of the development at Cape Kiwanda, Pacific City and now, TDM.

Driving on the beach is permitted at the south end of TDM and draws many of the overflow tourists from Cape Kiwanda to our area. In 2019, there were 27 short term vacation rentals in TDM. The beach and roadside are often congested during the spring, summer and holidays.

Tourism and short term rentals are hard on the resources of our area. Tourists use a lot of water and create a lot of garbage. They drive up and down the roads of TDM which are not very well maintained by the county so they contribute to making more potholes year-round and lots of dust in dry weather. TDM has a limited water supply. With the warmer weather we have experienced over the past few years, forest fires have occurred near us and will continue to be a concern. Combined with lack of water during summer, all of us have an interest in protecting our area from wildfires caused by humans.

There is an existing for-profit camping area less than a mile from TDM. Thousand Trails offers a variety of camping options, including cabins, cottages, yurts, RV and tent sites. It also has a swimming pool, miniature golf, tennis courts, store and deli, recreational building and viewing platform among other amenities and is open to the public as well as members. Whalen Island County Park is also near TDM and has tent and RV sites. Cape Lookout State Park is a few miles from TDM and offers cabins, yurts, tent and RV sites. All of these campgrounds are within a short distance of the proposed development and all offer beach access. There are also campgrounds located in Pacific City, Woods, Cape Kiwanda and Neskowin.

This proposed campsite seems to me to be about a corporation interested in generating more profits rather than providing a needed or wanted development. The neighborhood and surrounding area would be harmed, not helped by this development. Please consider the overtourism, water shortage, the risk of wildfires and the the wetlands affected by this development, along with the lack of resources and services in our area.

Sincerely,  
Jeff Pimentel

Hi Lynn,

The comments for this site

[https://www.co.tillamook.or.us/sites/default/files/fileattachments/community\\_development/project/69075/notice\\_of\\_public\\_hearing\\_website.pdf](https://www.co.tillamook.or.us/sites/default/files/fileattachments/community_development/project/69075/notice_of_public_hearing_website.pdf) are:

A tourist accommodation license will need to be obtained.

A restaurant license will need to be obtained.

A RV Park license will need to be obtained.

All of those licenses will have to go through plan review for approval with our department and meet current codes, for the three sets of rules that apply to them before construction starts.

If you have questions, please let me know.

**Subject:** EXTERNAL: January 27, 2022 hearing for proposed campground at Tierra del Mar

[NOTICE: This message originated outside of Tillamook County -- DO NOT CLICK on links or open attachments unless you are sure the content is safe.]

Dear Ms. Jenck,

Please consider the following issues regarding the proposed campground in Tierra del Mar at the Planning Commission hearing on January 27, 2022.

As a longtime property owner on Eloise Ave and per paragraph 4 of the TCUO 6.040, I have concerns regarding the proposed nineteen-site campground.

The added density the campground would generate would alter the character of the area and could impede usage of our property in the following ways:

1. Tierra del Mar is primarily a "village" of single-dwelling structures. A campground would have multiple turnovers of campers and therefore more foot and vehicle traffic than a single-dwelling structure. This added density could interfere with the residents' ability to enter and exit our small streets.
2. There is already an increase in illegal parking on Sandlake Road with little to no enforcement. Property owners have already had issues with illegal parking on our property with no way to contact the owners short of asking everyone on the beach if they own the vehicle parked illegally. I fear a campground will worsen this problem. Even if there is designated parking on the campground, overflow would spill onto Sandlake Road and the neighboring streets.
3. Like all side streets in Tierra del Mar, Eloise is graveled. Every year, the street accumulates potholes from what little traffic there is on the street. These potholes make navigating the roads difficult, especially if there has been a lot of rain. If more people from the campsite use these side streets to access the beach, either by foot or by car, these roads will become ever more potholed and difficult to travel on.
4. The campground will generate many more people using the beach as opposed to a single-dwelling structure or a few single-dwelling structures. Will this increased density on the beach produce garbage and beach erosion as seen at Cape Kiwanda? Tierra del Mar is a beautiful stretch of pristine beach that abuts protected wetlands. While it should remain open to the public, too many people on it would destroy it. I don't want what has happened to Cape Kiwanda to happen to the beach at Tierra del Mar.
5. Finally, it is incumbent on the county to resist over development of these coastal, rural areas. The negative impact on residents and wildlife would be immeasurable.

Thank you for your consideration of these concerns.

Sincerely,

Linda Hilliard  
Eloise Street, Tierra del Mar

[**NOTICE:** This message originated outside of Tillamook County -- **DO NOT CLICK** on links or open **attachments** unless you are sure the content is safe.]

January 6, 2022

To Tillamook County Planning Commission-

I am writing to comment on the planned recreational campground proposal (#851-21 000416-PLNG) on Floyd Street in Tierra del Mar (Tillamook County).

I feel that this project will alter the character of the surrounding area in a manner which substantially limits and impacts the small community and especially the cabins on the streets adjacent to Floyd Street.

Tierra del Mar is a very small community with limited parking and access to the beach on all the streets between Sand Lake Road and the beach. A campground of this size would greatly increase the traffic on the road and potentially increase people illegally parking along Sand Lake Road as well as on the residential streets leading to the beach.

There is also a great concern with people safely crossing Sand Lake Road to access the beach. In addition, we have finally denied drivers northbound access on the beach from the public access point. If we now have many more people accessing the beach, this will far outnumber the people who are residents and will potentially create a dirtier and more crowded beach.

Our family has had a cabin on Eloise since the mid 60's and part of the charm of Tierra del Mar, is that it is still relatively undiscovered. This will change the beach tremendously and it will become more like Cape Kiwanda with constant traffic, trash and significantly more people on the beach.

As home owners in Tierra del Mar, we pay taxes to keep up our community. Is the county going to provide additional resources to counter act the potential impacts of a campground on the roads and beach? 19 campsites with numerous people per site will possibly outnumber tax paying home owners.

Sincerely,

Sandy Gunder (Eloise Avenue)  
(206) 799-7536

Tillamook County Dept. of Community Development

Dear Sirs (i)

I want to strongly object to your recent letter concerning the conditional use permit for a 19 site recreational campground on Floyd Ave in Tienra Del Mar.

I am a property owner on Floyd Ave. I think the project is a bad idea for the following concerns.

- ① The area is a single home & cabin residential area and has been for at least the 45 years we have been there.
- ② Floyd Ave is a dead-end single basic road that gives access to local homes. The area that you are concerned about on Floyd is currently a deer trail.
- ③ To develop the site you speak of would impact our area with way too much traffic. Cars would park all over the street like Pacific City.
- ④ Foot traffic from the area would greatly add to the security and control of our little street.

(2/2)

- (5) The site would be the first commercial business in the area.
- (6) The fact that the applicant is named ~~Tree~~ Treehouse Partners is of concern.
- (7) The majority of property owners object to the project.
- (8) The area is a nature habitat for deer and elk plus other wildlife.
- (9) The last project you approved was the "Facebook project". How is that one working out? It has been a zoo for the near by homes. There beach activity has caused many concerns. For example their latest work upset the ocean bottom and caused logs and other junk to wash up on the beach with <sup>old</sup> logs & shells that we have never seen before.

For these reasons I and many other do not want the project

Thank You for your time

(10) P.S. It <sup>John Clarenbach, 5715 Floyd Ave.</sup> would over tax our little water system that barely serves us now.

Written Testimony for consideration by the Planning Commission

Greetings:

Please accept this written testimony that is being submitted timely in order to be included in the packet mailed to the Planning Commission the week prior to the January 27, 2022 hearing on this matter.

As the Planning Commission considers this request for Conditional Use approval for a 19-site recreational campground to be located along the hillside overlooking the community of Tierra Del Mar, please consider pursuing additional information from the applicant regarding:

- The application states the subject property is located at 600 Floyd Avenue. Due to the unique nature of the proposed use, it would be clearer to identify that the property is accessed via Floyd Avenue and the planned campground encompasses 18-acres stretching from south of Floyd Avenue to north of Austin Avenue.
- The application indicates that there are existing roads already established that are to recreational campground guidelines. It would be helpful to have aerial images that would clearly show the location of the existing roads.
- The application does not include any information about possible impact to the wetlands that exist across the subject property. It would be helpful to clarify the location of existing wetlands across the subject property and what efforts are planned to mitigate the impact of the development of the subject property.

- The application includes as Exhibit A a 'letter of supply' (form) to Tillamook Dept. of Community Development from Tierra Del Mar Water Company dated July 19, 2016 regarding Water Availability with 'the name of record in our files is Oregon Treehouse Partners LLC.' According to the Oregon Secretary of State, Corporation Division, Oregon Treehouse Partners, LLC is a business registered and incorporated March 24, 2021. The application includes a copy of the Statutory Warranty Deed conveying the subject property from Tierra Vista LLC to Oregon Treehouse Partners LLC on August 16, 2021 for the sum of \$820,000 (eight hundred twenty thousand dollars). It would be helpful to have current documentation to clarify that water service from the Tierra Del Mar Water Company will be available to the applicant for the 4 Accessory Cabins.
- The application states that 'a sewer, water system, already inspected by County sanitation, and connected to Tierra Del Mar water company.' It would be helpful to have current documentation to clarify that a connected sewer, water system has been inspected by Tillamook County On-Site Sanitation Division and the results of that inspection.
- The application provides no information about the projected volume of campers that will annually use the campground. This information would be helpful in order to calculate the generation of Transient Lodging Tax (TLT) revenue expected.
- Two of the three letters of support included in the application are from individuals that are affiliated with Shorepine Properties in Pacific City. If these individuals were involved in the purchase/sale of the subject property to Oregon Treehouse Partners LLC, it would be helpful for them to disclose that affiliation in their stated support for the application.
- In reviewing the design schematics included in the application, it is confusing to note that three schematics are labeled for 'Executive Hospitality Group' (pages 9, 21 and 23) and seven schematics are labeled for 'Oregon Treehouse Partners' (pages 14-20). It would be helpful to clarify the relationship between Executive Hospitality Group and Oregon Treehouse Partners with the proposed campground project.

Kind regards,

[**NOTICE:** This message originated outside of Tillamook County -- **DO NOT CLICK** on links or open attachments unless you are sure the content is safe.]

There is a mapped wetland that appears to cross the west edge of this property. In addition, our data shows fish habitat distribution (cutthroat trout) in this vicinity. The applicant must consult with appropriate permitting agencies if any development is proposed to occur within the wetlands. In addition, if any crossings of the stream/wetland are proposed (for example for the entrance road), the applicant must consult with ODFW for a fish passage determination, and receive approval from ODFW if determined to be necessary.

I forwarded on to our wildlife staff for review as well.

Re: #851-21-000416-PLNG  
Written testimony for conditional use consideration by the Planning Commission

Dear Planning Commission:

I was alarmed to learn that this project has been proposed and is under consideration for conditional use approval. My concerns relate to SECTION 6.040 REVIEW CRITERIA (3) and (4).

Review criteria (3) "The parcel is suitable for the proposed use considering its size, shape, location, topography, existence of improvements and natural features."

The parcel is not suited to for the proposed use because there will be an increased and serious risk of forest fire. This project is located on a very steep hillside with highly constrained topography and lots of trees. Even a cursory review of proposed plans shows that road access and parking is completely inadequate for the large anticipated influx of tourist and drastically inadequate for fighting fires. In addition to inadequate roads and parking, tourist at the beach always seem to want to start fires regardless of the risks and this project would have to require on-site 24/7 supervision and strong enforcement from Tillamook county authorities both of which are not included in the application and not likely to happen.

Review criteria (4) "The proposed use will not alter the character of the surrounding area in a manner which substantially limits, impairs or prevents the use of surrounding properties for the permitted uses listed in the underlying zone."

The proposed use will substantially and negatively impact the surrounding properties by drawing more tourists and their vehicles to community roads and to property owners, already vying with tourist for parking access to their own properties. Tillamook County has a history of promoting tourism which, in turn, generates traffic congestion and parking problems. These problems are on-going and at the expense of existing property owners. This proposed use takes a beautiful and largely undisturbed hillside and, overnight, converts it to a large tourist destination. Our family has owned a small vacation cabin on Eloise Ave since 1970 and there is no doubt that we will have to compete with customers from this campground for parking. Don't kid yourself, this proposed use significantly and negatively alters the character of the surrounding area and does impair permitted use (parking) to surrounding properties and to Sand Lake Road.

Please do not approve this application for Conditional Use Permit for this recreational campground.

Respectively submitted,  
Andy and Connie Ewing

PLEASE PRINT ONE TIME ON DECEMBER 29, 2021

**NOTICE OF PUBLIC HEARING**

**TILLAMOOK COUNTY PLANNING COMMISSION**

**OREGON TREEHOUSE PARTNERS LLC CONDITIONAL USE FOR RECREATIONAL**

**CAMPGROUND**

Public hearings will be held by the Tillamook County Planning Commission at 6:30p.m. on Thursday, January 27, 2022, and at 6:30pm on Thursday, February 24, 2022, in the Board of County Commissioners Meeting Rooms A & B of the Tillamook County Courthouse, 201 Laurel Avenue, Tillamook, OR 97141 to consider the following:

**#851-21-000416-PLNG**: Request for Conditional Use approval for a 19-site recreational campground on an approximately 18-acre portion of a 58.51-acre parcel accessed via Floyd Avenue, a County local access road, and is designated as Tax Lot 600 of Section 6, Township 4 South, Range 10 West of the Willamette Meridian, Tillamook County, Oregon. The proposed campground is within Rural Residential 2-Acre (RR-2) zoned land, with the subject property split zoned RR-2 and Small Farm and Woodlot-20 (SFW-20). The Property Owner and Applicant is Oregon Treehouse Partners LLC.

Notice of public hearing, a map of the request area, applicable specific request review criteria and a general explanation of the requirements for submission of testimony and the procedures for conduct of hearing has been mailed to all property owners within 750 feet of the exterior boundary of the subject property for which application has been made at least 10 days prior to the date of the hearing.

The applicable criteria include Tillamook County Land Use Ordinance Section 6.040: Review Criteria and the Tillamook County Comprehensive Plan. Applicable development standards include TCLUO Section 3.010: Rural Residential 2-Acre Zone and TCLUO Section 5.030: Recreational Campground Standards. Only comments relevant to the approval criteria are considered relevant evidence.

The hearing will take place virtually. Oral testimony will be heard at the virtual hearing on January 27, 2022. For instructions on how to provide oral testimony at the January 27, 2022 hearing, please visit the Tillamook County Community Development homepage at <https://www.co.tillamook.or.us/commdev> for instructions and protocol or email Lynn Tone, Office Specialist 2, at [ltone@co.tillamook.or.us](mailto:ltone@co.tillamook.or.us). The virtual meeting link will be provided at the DCD homepage address as well as a dial in number for those who wish to participate via teleconference but are unable to participate virtually prior to the evening of the hearing.

Written testimony may be submitted to the Tillamook County Department of Community Development, 1510-B Third Street, Tillamook, Oregon, 97141 prior to 4:00 p.m. on the date of the January 27, 2022, Planning Commission hearing. If submitted by 4:00 p.m. on January 18, 2022, the testimony will be included in the packet mailed to the Planning Commission the week prior to the January 27, 2022 hearing. Failure of an issue to be raised in a hearing, in person or by letter, or failure to provide sufficient specificity to afford the decision-maker an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals on that issue. Please contact Melissa Jenck, Project Planner, Tillamook County Department of Community Development, [mjenck@co.tillamook.or.us](mailto:mjenck@co.tillamook.or.us) as soon as possible if you wish to have your comments included in the staff report that will be presented to the Planning Commission.

The documents and submitted application are also available on the Tillamook County Department of Community Development website (<https://www.co.tillamook.or.us/commdev/landuseapps>) or at the Department of Community Development office located at 1510-B Third Street, Tillamook, Oregon 97141. A copy of the application and related materials may be purchased from the Department of Community Development at a cost of 25 cents per page. The staff report will be available for public inspection on January 20, 2022. Please contact Lynn Tone for additional information [ltone@co.tillamook.or.us](mailto:ltone@co.tillamook.or.us) or call 1-800-488-8280 x3423.

In addition to the specific applicable review criteria, the Tillamook County Land Use Ordinance, Tillamook County Land Division Ordinance, Tillamook County Comprehensive Plan, and Statewide Planning Goals which may contain additional regulations, policies, zones and standards that may apply to the request are also available for review at the Department of Community Development.

The Tillamook County Courthouse is handicapped accessible. If special accommodations are needed for persons with hearing, visual, or manual impairments who wish to participate in the hearing, please contact 1-800-488-8280 ext. 3303, at least 24 hours prior to the hearing in order that appropriate communications assistance can be arranged.

If you need additional information, please contact Lynn Tone, DCD Office Specialist, at 1-800-488-8280 ext. 3423 or email [ltone@co.tillamook.or.us](mailto:ltone@co.tillamook.or.us).
