TILLAMOOK COUNTY LAND DIVISION ORDINANCE

SECTION 070: PRELIMINARY PLAT APPROVAL CRITERIA

(1) Approval Criteria. The Approval Authority (Director for partitions and Planning Commission for subdivisions) may approve, approve with conditions or deny a preliminary plat. The Approval Authority decision shall be based on findings of compliance with all of the following approval criteria:

- (a) The land division application shall conform to the requirements of this ordinance;
- (b) All proposed lots, blocks, and proposed land uses shall conform to the applicable provisions of the Land Use Ordinance – Article 3 Zone Regulations and the standards in Section 150 of this ordinance;
- (c) Access to individual lots, and public improvements necessary to serve the development, including but not limited to water, sewer and streets, shall conform to the standards in Sections 150 and 160 of this ordinance;
- (d) The proposed plat name is not already recorded for another subdivision, does not bear a name similar to or pronounced the same as the name of any other subdivision within the County, unless the land platted is contiguous to and platted by the same party that platted the subdivision bearing that name or unless the party files and records the consent of the party that platted the contiguous subdivision bearing that name;
- (e) The proposed streets, utilities, and surface water drainage facilities conform to Tillamook County's adopted master plans and applicable engineering standards and, within Unincorporated Community Boundaries, allow for transitions to existing and potential future development on adjacent lands. The preliminary plat shall identify all proposed public improvements and dedications;
- (f) All proposed private common areas and improvements, if any, are identified on the preliminary plat and maintenance of such areas is assured through appropriate legal instrument;
- (g) Provisions for access to and maintenance of off-right-of-way drainage, if any;
- (h) Evidence that any required State and Federal permits, as applicable, have been obtained or can reasonably be obtained prior to development; and
- (i) Evidence that improvements or conditions required by the road authority, Tillamook County, special districts, utilities, and/or other service providers, as applicable to the project, have been or can be met, including but not limited to:
 - (i) Water Department/Utility District Letter which states that the partition or subdivision is either entirely excluded from the district or is included within the district for purposes of receiving services and subjecting the partition or subdivision to the fees and other charges of the district.
 - (ii) Subsurface sewage permit(s) or site evaluation approval(s) from the appropriate agency.
