Tillamook County Housing Commission

Draft Amendments to the Housing Commission By-Laws to establish an Executive Committee

The purpose of the Executive Committee is to be informed of internal and external developments affecting the business of the Housing Commission and its individual Committees, collaborate on overlapping or missing pieces, and act whenever such matters arise that require immediate attention. The scope of the powers and duties of the Executive Committee is to:

- (1) monitor and review the operations of the Housing Commission and its Committees to ensure decisions are in line with all rules and policies, including those defined by the Board of County Commissioners,
- (2) review and provide recommendations on matters that would require the approval of the full Commission, including drafting policies and procedures and proposing amendments to the By-Laws,
- (3) exercise powers and responsibilities as may be delegated to the Executive Committee by the full Commission from time to time consistent with the Housing Commission's Bylaws, and
- (4) develop a pipeline of potential candidates to recommend for Housing Commission seats to ensure continuity as terms end and members leave,

Members of the Executive Committee with voting powers shall include the Chair of the Housing Commission and the Chairs of all Standing Committee. Ex-officio non-voting members include the Director of Community Development, Housing Coordinator, and County Commissioner Liaison to the Housing Commission.
