REQUEST FOR TRIAL

Case Number: _____

Citation Number: _____

I, the undersigned defendant, enter a plea of not guilty and am requesting, in the above captioned matter (choose one):

- Trial in person.** You want to have the trial held in person, with all parties and witnesses appearing in the courtroom.
- Trial by phone.** Calling in for your trial is more convenient for you. You give up the right to personally question witnesses. All parties and witnesses will appear by phone.
- Trial by affidavit or declaration.** This allows you to explain the facts of your case in writing and why the court should rule in your favor, instead of appearing in court. I understand that this is a waiver of my right to have an in-person trial. I understand that the State will be able to present evidence without me having the ability to see, hear, and question witnesses. I waive my right to see, hear, and question witnesses. I am waiving the right to have testimony presented orally in court.
