This matter came before the Tillamook County Board of Commissioners on April 9, 2025, at the request of Tides of Change.

The Board, being fully apprised of the representations of the above-named entity, and the records and files herein, finds as follows:

1. Sexual Assault Awareness Month (SAAM) calls attention to the fact that sexual violence can happen to anyone - our family members, friends, neighbors, coworkers, and even ourselves.
2. Sexual assault is not about sex but is the abuse of power that affects people of every age, race, sex, gender identity, sexual orientation, national origin, socioeconomic background, and religion.
3. Recognizing April as "*Sexual Assault Awareness Month*" provides an opportunity for our voices to be heard in support of survivors.
4. **We Walk Along Survivors** to inspire others to believe survivor reports of sexual violence.
5. **We Walk Along Survivors** to speak out against harmful attitudes and actions and to commit to change the culture that allows sexual violence to be widespread.
6. **We Walk Along Survivors** to accept the challenge to end sexual abuse against the most vulnerable—our children.
7. **We Walk Along Survivors** to support recovery and healing of the adults, teens, and children who have been subjected to sexual violence.
8. **We Walk Along Survivors** to call for preventing sexual assault, sexual abuse, and sexual harassment.
9. **We Walk Along Survivors** to ensure every person's right to live free from sexual violence.

///
