In the Matter of Supporting a Statewide)
Constitutional Amendment for Affordable)
Housing Bonds (Measure 102))

RESOLUTION
#R-18-008

COUNTY COURT JOURNAL

This matter came before the Tillamook County Board of Commissioners on the August 1, 2018. The Board of Commissioners finds as follows:

1. Communities across Oregon are struggling to provide enough housing units at a rate that residents can afford.
2. Tillamook County is facing a shortage of housing that are affordable to people in the community. People who work in Tillamook County are struggling to find a stable and affordable place to call home.
3. The Oregon legislature voted almost unanimously to refer a constitutional amendment to voters this November. The amendment would remove an outdated restriction in the Oregon Constitution that prevents local affordable housing bond dollars from being used in partnership with non-profit and private affordable housing developers.
4. This amendment is a bipartisan solution to give communities that approve bonds for affordable housing more flexibility to create the housing they need.
5. This amendment also requires annual audits and public reporting to ensure accountability.

NOW, THEREFORE, IT IS HEREBY RESOLVED that:

6. The Tillamook County Board of Commissioners support the affordable housing Oregon Constitutional Amendment and strongly encourage all voters across the state to vote yes on Measure 102.
