ORDER
#17- 049

This matter came before the Tillamook County Board of Commissioners on June 7, 2017 at the request of Liane Welch of Public Works (Road) Department regarding a rejection of all bids for the Harbor View Drive and Sollie Smith Culvert Replacement Project. The Board being fully apprised of the records and files herein finds as follows:

1. Tillamook County advertised its call for bids for the above project in the Headlight Herald, a local newspaper of general circulation, and in the Daily Journal of Commerce on April 12, 2017 and April 19, 2017. Therefore, notice of solicitation for bids was properly published.
2. Tillamook County received three bids, which were submitted by LRL Construction Co., Farline Bridge, Inc., and K&E Excavating, Inc.
3. LRL Construction Co. was the responsible bidder submitting the lowest responsive bid.
4. The project was intended to be 75% funded by FEMA. However, that agency has advised that payment cannot be confirmed at this time.
5. All necessary environmental permits have not yet been obtained.
6. All acquisition of necessary right of way easements also have not been obtained.
7. It is in the best public interest to reject all bids and not award a contract for this project at this time.
