

BEFORE THE BOARD OF COUNTY COMMISSIONERS
FOR TILLAMOOK COUNTY, OREGON

In the Matter of a Sole Source)	ORDER
Procurement of MicroCoat™ High-)	#20- <u>037</u>
Performance Pavement Preservation)	
Product from Blue Line Road Products)	
Through and Applied by Sierra)	
Santa Fe)	

This matter came before the Tillamook County Board of Commissioners on July 22, 2020 at the request of Chris Laity, Director of Public Works. The Board of Commissioners being fully apprised of the representations of the above-named person finds as follows:

1. Under ORS 279B.075(2), the determination of a sole source must be based on written findings that may include:
 - (a) That the efficient utilization of existing goods requires acquiring compatible goods or services;
 - (b) That the goods or services required to exchange software or data with other public or private agencies are available from only one source;
 - (c) That the goods or services are for use in a pilot or an experimental project; or
 - (d) Other findings that support the conclusion that the goods or services are available from only one source.
2. The Tillamook County Department of Public Works has determined that the MicroCoat™ Surface Sealant product is only available from Blue Line Road Products and that Sierra Santa Fe is the only Manufacturer Certified Applicator.
3. This product will preserve the pavement conditions of portions of Sand Lake Road, a county road.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

4. The proposed purchase of MicroCoat™ High-Performance Pavement Preservation Product from Blue Line Road Products through and applied by Sierra Santa Fe is hereby authorized as a sole source procurement as allowed by ORS 279B.075.
