COVID-19 Emergency)

This matter came before the Tillamook County Board of Commissioners on April 3, 2020. The Board of Commissioners, being fully apprised, finds as follows:

1. Under the emergency powers granted by ORS Chapter 401, on March 14, 2020 the Board of Commissioners signed Resolution #R-20-005 designating a State of Emergency within Tillamook County due to the spread of the COVID-19 virus.
2. It is the intent of Tillamook County to be fiscally responsive during emergency situations.
3. Board of Commissioners should provide guidance to County departments on strategies to adjust budgets due to a reduction in projected revenues as a result of a quick and dramatic slowing of the economy.
4. If the emergency is deemed to be temporary or short term, the use of operating reserves will be evaluated by the County Budget Officer. If deemed appropriate, the County Budget Officer will recommend to the Board of Commissioners the use of reserves in a specified amount for the current and/or upcoming fiscal year.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

5. Upon execution of this order, the following budget reduction strategies will be implemented by all Tillamook County departments until further notice. The Board of Commissioners reserves the right to change, modify, amend, revoke, or rescind all or part of this directive at any time.

 - b. Overtime shall be limited to essential personnel.
 - c. Use of part-time/temporary employees shall be evaluated.

- c. Transfers to capital projects approved during the Fiscal Year 2019-2020, but not yet begun shall be placed on hold. This will allow for the transfer to be reversed and funding utilized for operating expenses, if required.

9. Core/Essential Services

- a. Department Heads/Elected Officials and the Budget Officer shall review services provided by the County to identify those not considered core/essential. These are services that could be eliminated or suspended.

10. Budget Recommendations for Fiscal Year 2020-2021

- a. During the budget development, all funding will be reviewed for possible deferment or elimination.
