## Cape Meares Road Relocation

July 21, 2023

### Construction Activities & Upcoming Work

Project Number:  
OR TILLAMOOK B780  
(1)

FHWA Contact:  
John Henderson  
john.henderson@dot.gov  
360-839-3867

Project Partner:  
Tillamook County  
Federal Highway  
Administration  
Western Federal Lands  
Highway Division

Contractor:  
M.A. DeAtley Construction, Inc.  
829 Evans Rd,  
Clarkston, WA 99403

Notice to Proceed:  
December 6, 2021.

Fixed Completion Date:  
October 31, 2023

The contractor made significant progress on roadway excavation this week and nearly finished preliminary grading of 400 feet between the geofoam wall and the soldier pile wall. In addition, work continued on the last MSE wall and the soldier pile this week. On the MSE wall, another 3 courses were placed along with the second 36-inch culvert and the second round of ground anchor installation began on the soldier pile wall. Truck traffic between the south project entrance and the adjacent Lighthouse Quarry will remain active but at reduced levels, however, construction traffic is scheduled to be steady on the closed portion of the old Cape Meares Loop. Therefore, Tillamook County has prohibited pedestrian and bicycle traffic on the old roadway through project completion in Fall 2023.

#### ROAD CLOSURES

Current road closure points will remain in effect on Bayocean Road near the Cape Meares Lighthouse, and approximately 0.5 miles south of the Lighthouse. Construction will have minimal impact on public traffic as it is closed to through traffic. Please be advised that project limits are now designated by barricades on Cape Meares Loop coming south from Bayocean Road. See map on the following page.
