Cape Meares Road Relocation

Construction Activities & Upcoming Work

Geofoam wall installation, soldier pile wall installation, culvert installation, and erosion control installation will continue next week. Heavy equipment is working throughout the project. There is no public access within project limits, which includes no pedestrian or bike access. The fixed construction completion date is October 31, 2023.

ROAD CLOSURES

Current road closure points will remain in effect on Bayocean Road near the Cape Meares Lighthouse, and approximately 0.5 miles south of the Lighthouse. Construction will have minimal impact on public traffic as it is closed to through traffic. Please be advised that project limits are outside the gate on Cape Meares Loop coming south from Bayocean Road. A reader board and Type III Barricades have been installed at this location. See map on the following page for areas not accessible to the public due to ongoing construction.
