

# Tillamook County Solid Waste

For more information about recycling or hazardous waste disposal:

Call (503) 815-3975 or email us at [recycle@co.tillamook.or.us](mailto:recycle@co.tillamook.or.us)

or visit our website at [www.co.tillamook.or.us/solid-waste](http://www.co.tillamook.or.us/solid-waste)

April is here – the month of Earth Day – and opportunities abound!

We are hosting a Master Recycler Class, all condensed into three days in April. Participants will learn A LOT about what goes on behind the scenes in recycling and waste management, how the system works, and what YOU can do to make things better. The first day of the class is April 8th, and starts at 9:00 am in Heart of Cartm's workshop space (395 Wheeler Blvd, Wheeler). The two further dates for the class will be April 14th and 21st. The class is free – in exchange for 30 hours of community service this year. (And we have

plenty of opportunities during the year!) Join the ranks of over 50 others who have graduated from the Master Recycler course in Tillamook County – starting this Saturday!

The ODF Yard Debris Voucher program is back – with extended dates. Our local branch of the Department of Forestry procured additional funding for this popular program, now starting April 1st and lasting through October 31st (in recognition of the extended fire seasons we have been experiencing).

On April 22nd we will be having a Drugs & Sharps Takeback event at the Health Clinic (801 Pacific Ave) 10:00 am – 2:00 pm. This event is

part of the national DEA effort to make sure unused prescription and over-the-counter drugs are disposed of properly. We augment those efforts with the opportunity for residents to drop off used sharps (syringes) in hard red plastic sharps containers at no cost.

We'll close out the month co-sponsoring the Home & Garden Show, at the Fairgrounds, April 29th 9 am – 4 pm and April 30th 11 am – 3 pm.

We'll see you multiple times during April – rain or shine!

David McCall

Solid Waste Program Manager

## DON'T BE THE DEALER

Keep them safe. Clean them out. Take them back.

Saturday, April 22, 2023

Tillamook Community Health Clinic

801 Pacific Ave, Tillamook

### TAKE CONTROL!

Help reduce your risk of wildfire in just a weekend. Create a defensible space, a 30' non combustible zone around your home. Defensible space is an effective method to reduce your risk against wildfire.
