# 2025 – 2026 BUDGET

TILLAMOOK COUNTY

TREASURER'S OFFICE

Shawn Blanchard, County Treasurer

# BUDGET MESSAGE

*To the Tillamook County Board of Commissioners, Budget Committee Members, and Residents,*

I am honored to present Tillamook County's Proposed Budget for the 2025-2026 Fiscal Year. Developed through extensive collaboration, thoughtful analysis, and the dedicated efforts of County leadership, the Budget Committee, and staff, this budget reflects our commitment to fiscal responsibility, strategic planning, and long-term financial sustainability. It ensures that County resources are aligned with service priorities and community needs.

## Budget Overview

The County budget serves as a financial roadmap, guiding decisions on how resources are allocated to deliver essential services. Once adopted, it authorizes funding for the upcoming year and establishes long-term priorities.

### Budget Structure

The budget is organized into four types of funds:

1. General Fund – The County's primary operating fund, supporting core departmental functions.
2. Special Revenue Funds – Forty-six dedicated funds totaling \$97.13 million (54% of the budget), including the \$17.2 million Health and Human Services Fund and the \$22,800 Juvenile Trust Fund, both restricted for specific uses.
3. Debt Service Funds – Supports infrastructure projects, including the Road Debt Service Fund and the newly approved Radio Debt Service Fund, which enhances emergency communications for first responders.
4. Capital Funds – Four funds supporting large-scale projects such as broadband expansion, radio system upgrades, building improvements, and road construction grants.

### Expenditure Categories

County funds are distributed across six expenditure categories:

- Personal Services – Employee salaries, benefits, and uniforms.
- Materials and Services – Operational costs, including office supplies, utilities, fuel, and facility maintenance.
- Capital Outlay – Major purchases or projects exceeding \$5,000 with a lifespan of more than one year.
- Operating Transfers – Contributions to Public Health programs and reserves for vehicles, computers, and facility improvements.
- Contingency – Funds set aside for unexpected needs, accessible through budget amendments.
- Unappropriated Ending Fund Balance – Reserves maintained to ensure financial stability at the start of the next fiscal year before major revenue inflows.

### Accounting Method

Tillamook County follows cash basis accounting, recording revenues upon receipt and expenses when paid.

## Guiding Our Future Through Strategic Investments

Tillamook County continues to navigate a complex financial landscape, balancing challenges with opportunities. In recent years, leadership, the Budget Committee, and staff have worked diligently to assess fiscal realities, explore revenue strategies, and implement operational efficiencies, ensuring the County will be on a stable financial trajectory.

In 2024, County leadership adopted the Strategic Plan Tillamook County 2024-2028, which defines our mission, vision, and values:

- Mission: Delivering excellent public services for the people, places, and communities of Tillamook County.
- Vision: A responsible, strategic, resilient, and responsive local government—a great place to work.
- Values: Serving with integrity, excellence, and commitment.

## Strategic Budget Objectives for 2025-2026

The newly established strategic plan included key objectives that have been incorporated into the 25-26 budget, these include: Revenue generation, cost reductions, policy and departmental evaluations as well as long-term financial planning. All objectives that can be categorized as Strengthening Fiscal Stability of Tillamook County.

### Strengthening Fiscal Stability

This budget takes a measured approach to balancing expenditures with available revenue, incorporating new revenue responsibly and prioritizing long-term planning. Key actions include:

- Including enhanced intercounty transfers, an innovative funding strategy that leverages cross-county opportunities.
- Drawing down one-time reserve funds to stabilize the General Fund while further assessments and long-range planning are developed.
- Reducing capital maintenance investments while developing a long-term infrastructure plan.

County leadership, budget committee members and staff have worked diligently to move top priority items forward in the last year, a handful of which are still work in progress and are not included in the proposed budget but may lead to a need for mid-year budgetary adjustments. County teamwork has put forth the following in progress items:

- Personnel Services Studies & Negotiations: Ongoing evaluations of salary structures and benefits may lead to adjustments beyond currently budgeted rates, requiring potential budget amendments to manage potential costs.
- Measure 29-183 – Transient Lodging Tax Increase: This measure, currently up for a vote, could raise the Transient Lodging Tax (TLT) to 12% or 14%, generating additional recurring revenue to support various County services.
- Transient Lodging Tax Allocation Reform: Legislative efforts are underway to reformulate the allowable uses of TLT revenue through statutory revisions, potentially expanding funding flexibility for County initiatives.
- Indirect Cost Allocation software migration which may result in mid-year updates.

These milestones will require close monitoring and strategic financial planning as they evolve throughout the fiscal year.

## Budget Summary

The proposed Tillamook County budget for 2025-2026 is \$179,171,763, compared to the adopted budget of \$153,452,280 for 2024-2025. A comparison chart is included for reference in Exhibit A.

### Key Changes in Revenue

- Radio Bond Proceeds: Increase of \$24.4 million.
- Intercounty Transfers In: Increase of \$240,000 county-wide. \$956,000 increase for General Fund.

### Key Changes in Expenditures

- Personal Services: Increase of \$1.4 million.
- Materials & Services: An overall decrease of \$1.3 million.
- Capital Expenditures: Significant investment in long-term infrastructure projects reflected in a \$23M increase, this is mostly the offset of Radio Bond capital outlay.

## Looking Ahead: A Collaborative Approach to Fiscal Stewardship

Through proactive planning, strategic partnerships, and responsible fiscal oversight, Tillamook County remains committed to delivering high-quality services while securing a strong financial future. This budget serves as both a roadmap and a commitment to sound fiscal management, operational excellence, and community collaboration. The preparation of this budget would not be possible without the hard work and contributions of many. I would like to acknowledge Debra Jacob, Chief Deputy Treasurer and the support staff in my office. I would also like to acknowledge the efforts of each of the department heads and managers that participated in completing this budget. Finally, I wish to thank all those who have provided input and I would like to thank the Budget Committee for their participation throughout the process of preparing and ultimately approving the budget.

The Board of County Commissioners is scheduled to adopt the County budget at a public hearing on June 18, 2025, at 10:30 a.m. We look forward to working together to advance our shared priorities and build a sustainable future for Tillamook County.

Respectfully submitted,

*Shawn Blanchard*
